Cool

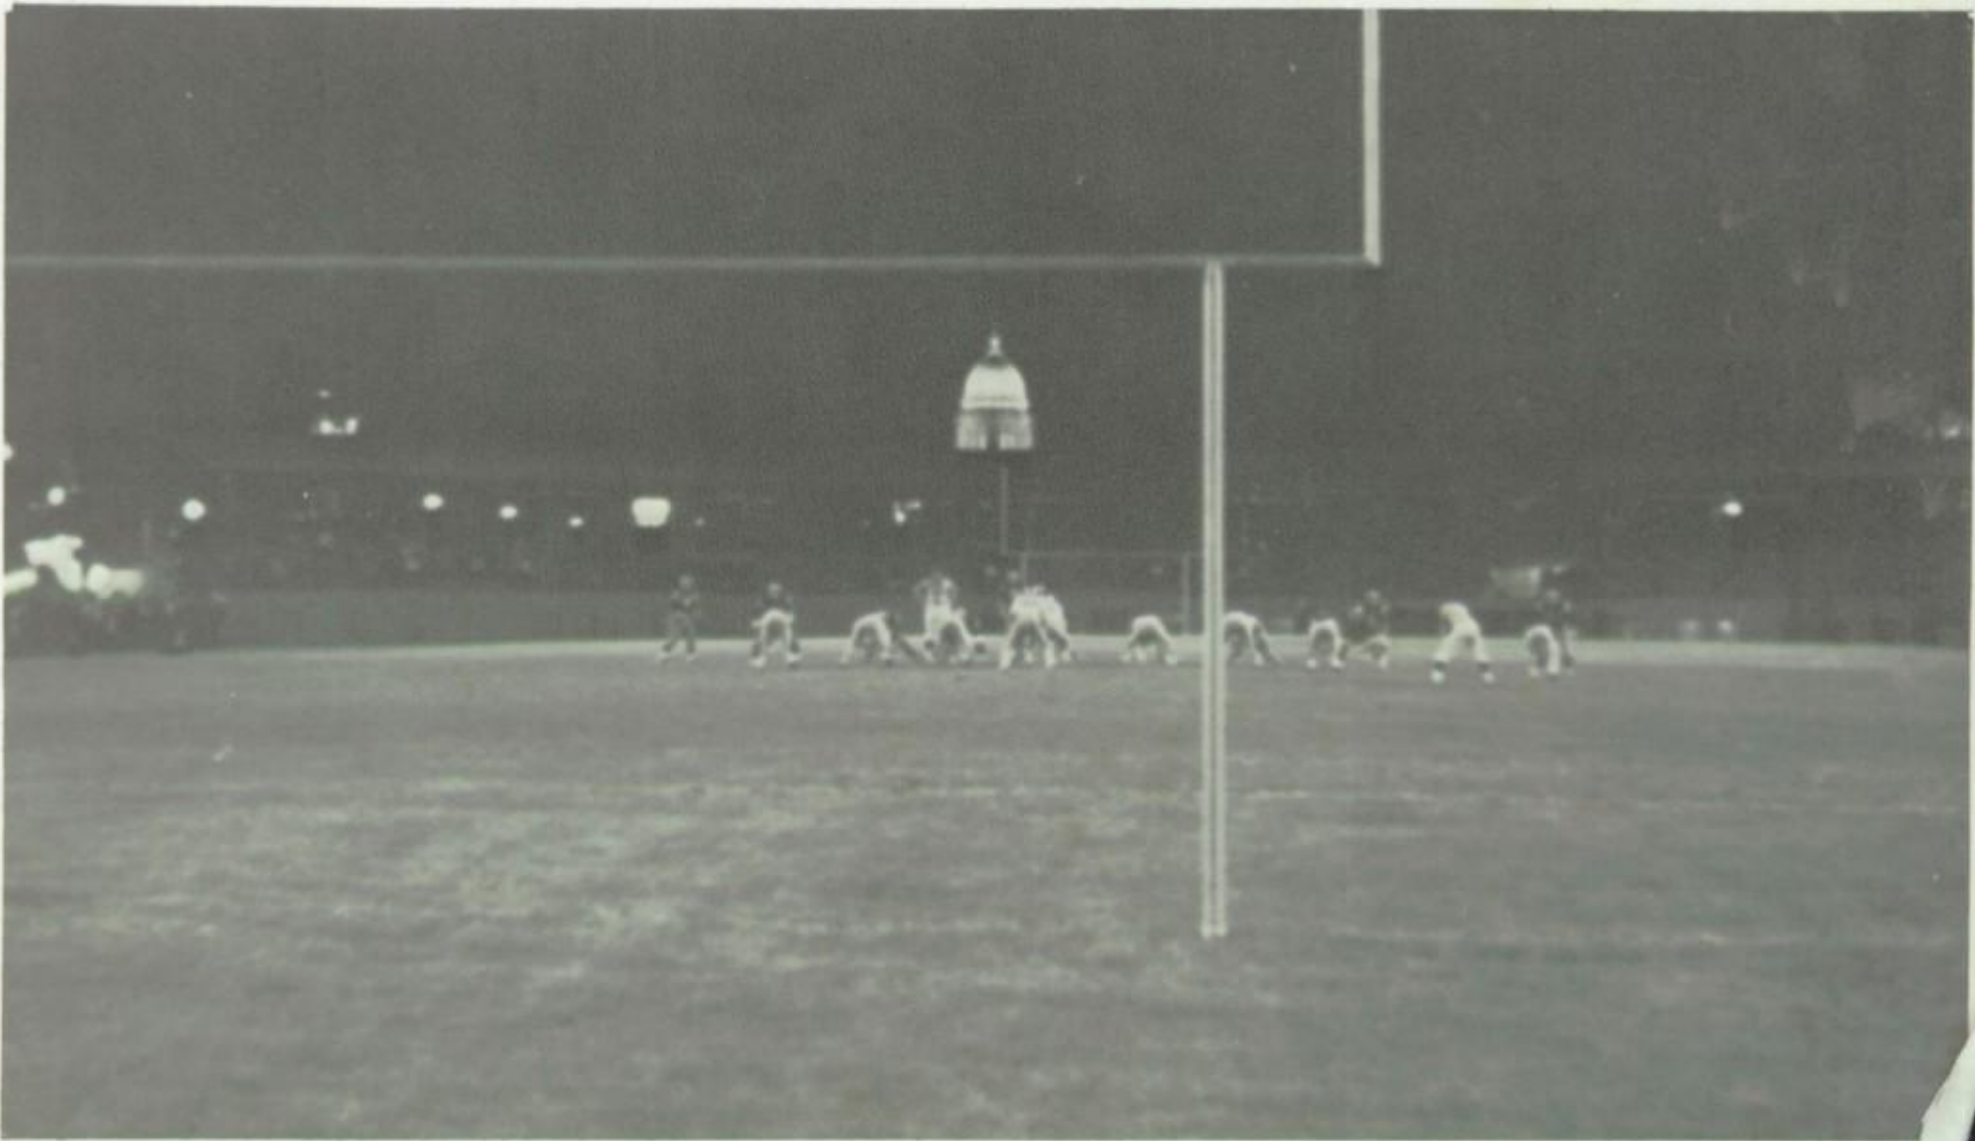

Each day is filled with new discoveries; discoveries of new ideas, of new ways of doing things, and of new ideas.

The years spent in school bring many new discoveries. One discovers the opinions of others and one discovers his own way of thinking. One discovers new ways of doing things through learning experiences. One discovers new feelings; feelings of happiness, of depression, of victory, and of defeat. One discovers the satisfaction in accomplishments.

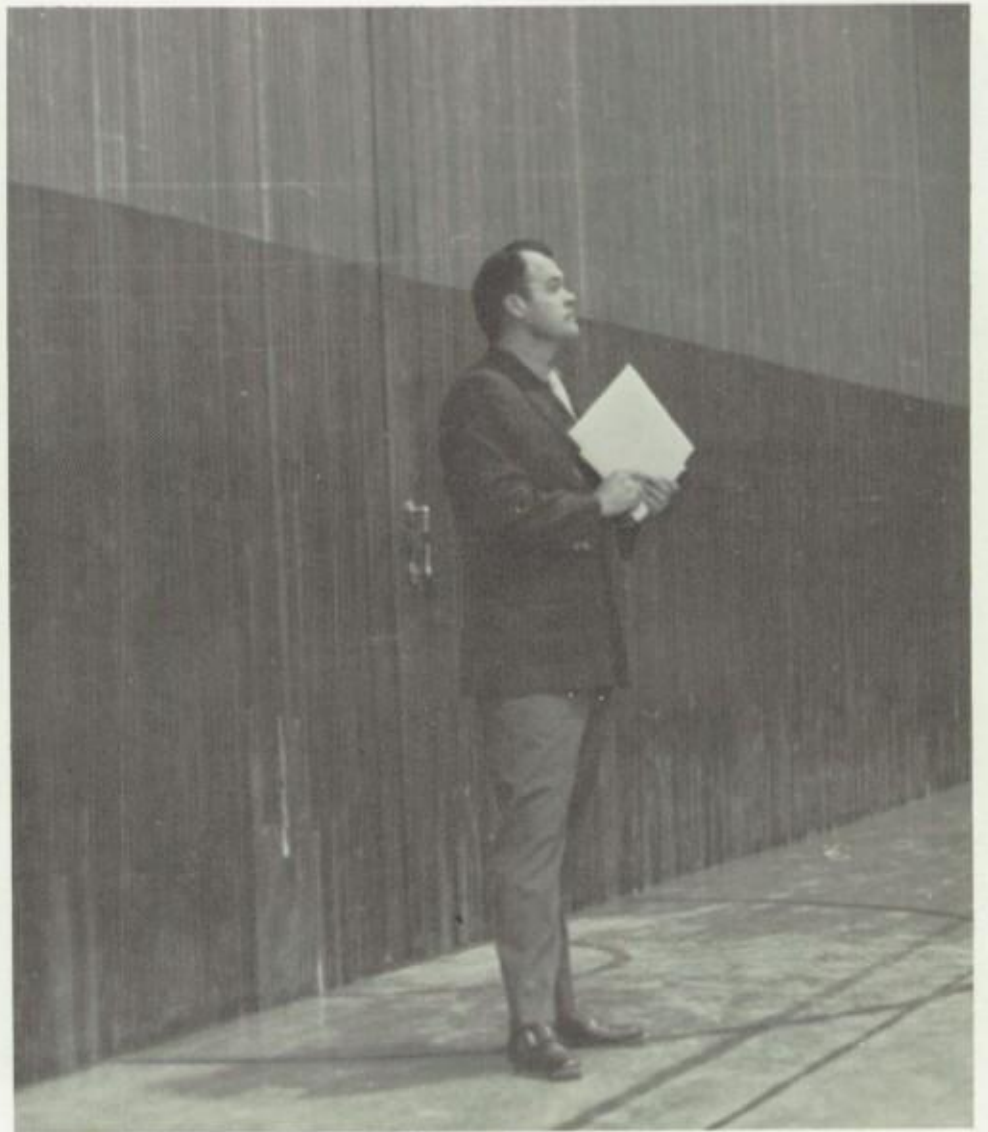

The small but meaningful discoveries of everyday all come together in the discovery of one's self as an individual.

## Administration Undergoes A Change

East's administration underwent a change again this year. Our new principal, Dr. Wayne Benson, has done a great job in spite of all the new problems of renovation and the old problems of skipping and discipline. The question of an open campus was one raised frequently during the year, and compromises were also frequent.

Mr. Robert Reif took charge of the senior class this year, while Mr. Al Colucci was the junior class principal. A new administrator was also on the scene this year. Mr. Larry Lark took charge of the sophomore class, and has along with our other administrators, helped East to live up to its tradition of greatness.

ABOVE: Dr. Wayne Benson, Principal. BELOW LEFT: Mr. Robert Reif, Senior Principal. BELOW CENTER: Mr. Alfred Colucci, Junior Principal. BELOW RIGHT: Mr. Larry Lark, Sophomore Principal.

# Seniors

Kicking things off from the start the Senior Class officers: Brian Turcott, president; Ron Price, vice president; and Jane Bush, secretary; have led the class of '71 through a number of activities from dough-ins to Homecoming. The class of 1971 has proved itself academically and athletically. They will also be remembered for the return of the Spirit to East High School.

# Juniors Got The Spirit

Peter Woerpel — President

John Mercier — Vice-President

Kitty Miller — Secretary

The juniors began with an exciting campaign for class officers. Out of twelve candidates, Peter Woerpel was elected president; John Mercier, vice-president; and Kitty Miller, secretary. They got to work right away with a bake sale that made over \$80 and a car wash that made over \$30. The juniors used this money to construct their homecoming float, "Stop the Knight Train", which, along with the overall spirit, took first place. They unfortunately came in last during chain link week with around \$120, but then began working on the 1971 Junior Prom which capped off a year the juniors will never forget.

# Sophs Fit Right In

Tom Nelson — President

Peter Debenham — Vice-President

Donna Boyer — Secretary

The sophomores spent the first day of school meeting new people and getting acquainted with East. Although they seemed unfamiliar to each other, the Sophs set out to elect class officers. The election found Tom Nelson as president; Peter Debenham as V.P.; and Donna Boyer as secretary. To pay for their Homecoming float, "Budda 'em out of Breese Stevens," they went right to work and held a bake sale which supplied the Soph treasury with \$15.00. They quickly bounced back during Chain Link Week as they took first place, with the Soph donations totaling \$218. Several other bake sales provided the treasury with enough money to hold a sophomore-sponsored dance, and the end of the year saw the Sophs anxious to be Juniors.

# Language Courses For Everyone

The biggest change in the Language curriculum is the offering of new courses suitable for students who don't want intensive language study for college. These courses include Conversational Spanish and Mythology-Archaeology. The Department would also like to include Conversational French and German. There were also the regular, more intensive language courses in French, Spanish, German, and Latin.

The Language RMC on second floor included learning materials, literature for pleasure, and games.

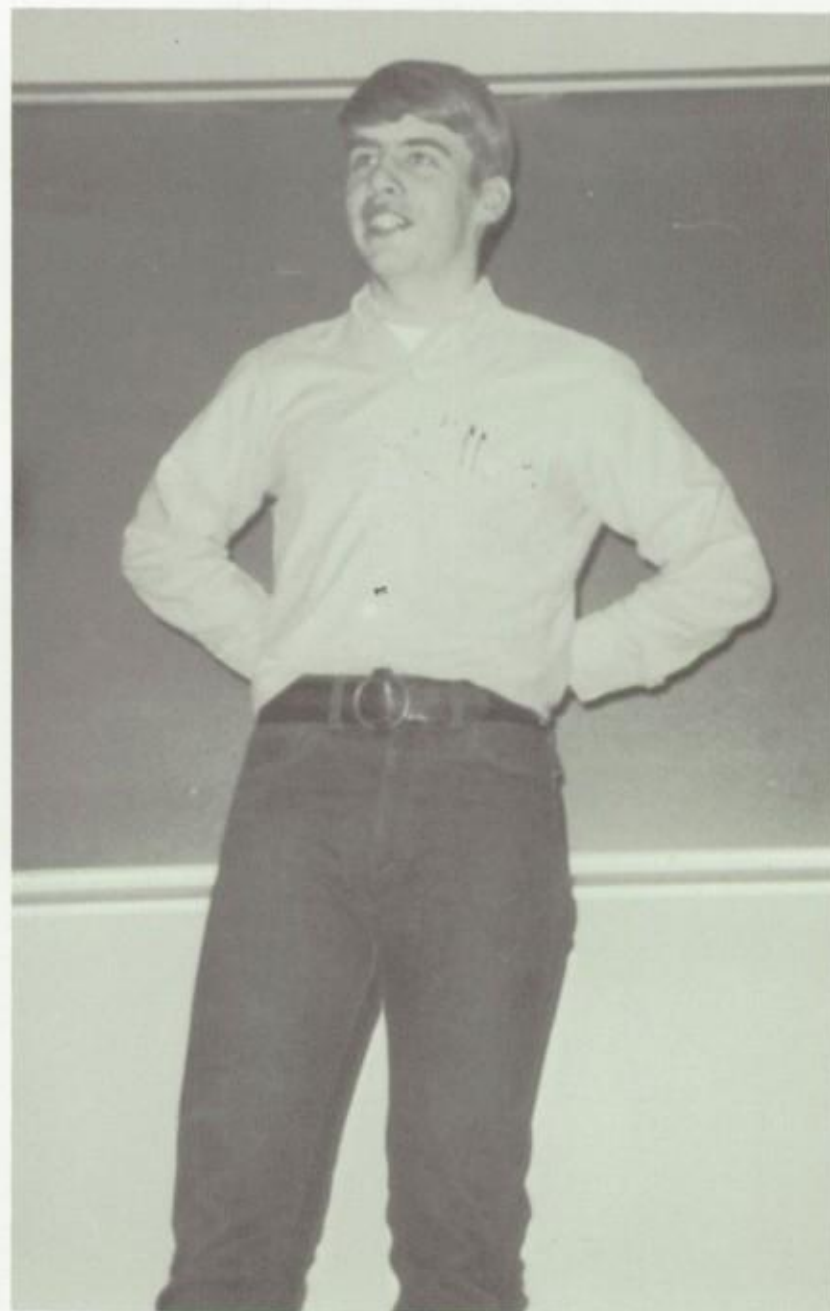

In the English Department, the only grade level in which no great changes are planned is the 10th grade; however, the English Department hopes to offer more of a choice in the future. The courses offered are English-10, English 10-4, and English 10-1, which is an experimental course students can take on the recommendation of their English teacher and parents.

The junior class has more to choose from with only one semester of English-11 required. A student may choose to fulfill his English requirements for graduation in his junior or senior year. Juniors and Seniors may elect Introduction to Speech, Minority Literature, Theater Arts, Mass Media, Advanced Speech, Journalism, and Advanced Journalism. Juniors were also able to choose from a variety of American Literature courses.

All courses open to Seniors are one semester long. They include Developmental Reading, the Novel, World Literature, Playwrights and Poets, Communication-12, and Creative Writing. Three mini courses, each nine weeks long, were Developmental Reading, Grammar and Usage, and Expository Composition.

## English Department Offers Wide Variety

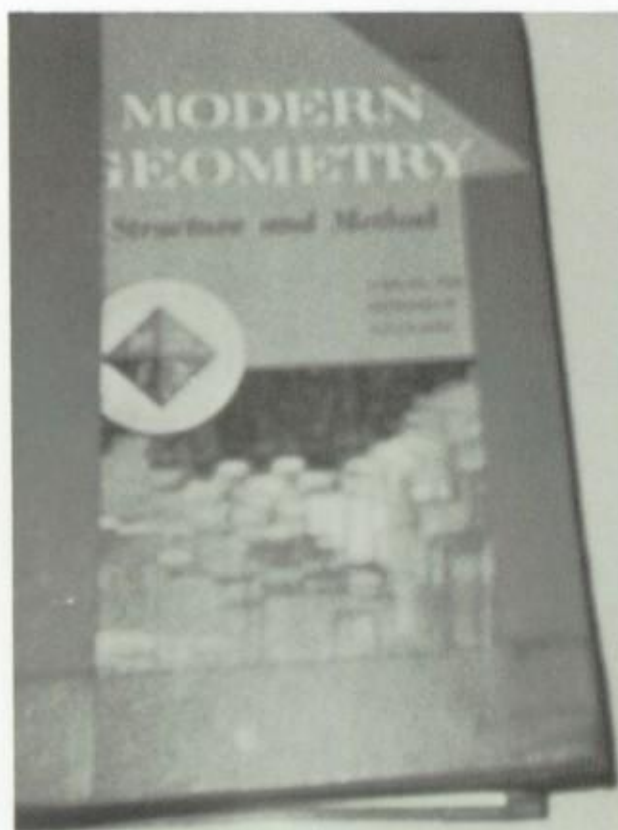

## Math And Science Departments Expand

Room 331, the Math — Science RMC way up on third floor, was the place where the Math and Science students could be found working out their problems. New Science courses soared this year. Aerospace I and II, Special Physics, Advanced and Novice Radio courses were offered along with the Chemistry, Biology, Physics, Earth Science, and Physical Science courses.

The Math Department offered individualized Algebra/Trig to allow students to work at their own rate. Other Math courses included Math Fundamentals, Elementary Algebra, Geometry, Refresher Math, Advanced Algebra, Calculus and Topics in Math.

# Social Studies Offers Relevant Courses

Sophomores, Juniors, and Seniors are required to take certain courses in Social Studies. The Social Studies Department Program of Studies, however, offers courses covering many areas of interest.

For 10th graders, Western Civilization is required. The course reveals Western man's development from a primitive food-gathering culture to his present industrialized society. The course gives the students an appreciation of the achievements of Western man.

Juniors spend one semester in U.S. History and one semester in Area Studies. U.S. History is designed to meet the need for increased understanding of recent trends and events in United States history. Students spend their other semester in Area Studies and choose from Africa, China, Korea and Japan, India and Southeast Asia or Latin America.

Seniors spend their first semester in Decision Making I, a course taught by a team of teachers with varied talents, training, and experiences. The course is designed to provide an integrated conceptual approach to the various social science methods and the ways in which they help to analyze relevant problems. Second semester Decision Making II students are able to choose from mini-courses each nine weeks long and pursue their own interests. These mini-courses include 20th Century China, Ecology, Economics, Education, Foreign Policy Formation, The Law and You, Minority Studies, Russia in the 20th Century, Sociology, Political Behavior, Social Psychology, and Urban Geography.

This year Concert Chorale was kept busy singing pop songs for the "pep fests", performing at the Homecoming Alumni-Faculty Tea and the Christmas Faculty Tea, and also provided part of the entertainment at the November P.T.A. meeting. The Concert Chorale and Mixed Chorus took part in the annual Capitol Christmas Pageant and the East High Christmas tradition of caroling through the halls. Also during Christmas, the Concert Chorale, Mixed Chorus, and Sophomore Choir, put on the Messiah, a first in East's history. In the spring, the vocal music department put on an operetta which was open to the whole school.

The curriculum for vocal music is also scheduled to remain the same next year. Students are offered Sophomore Choir, Mixed Chorus, Girls Glee, Concert Chorale, and Music Theory I and II for Classroom music instruction.

For the past two years, the curriculum for instrumental music has remained the same and next year will follow suit. All four classes are offered: Band I and II, Instrumental Ensemble, Stage Band, and Orchestra. There are no plans for change until East becomes a four year high school.

Following its usual tradition, the band was busy this fall playing at pep auds and marching during half-time in football games. Under the direction of Mr. Walton Nelson and drum major Gary Lee, the band continued its fine service performing at basketball games. On November 25, the percussion ensemble played for the Future Farmers of America and a formal public concert by the two bands was held on January 20.

## East Makes Music

# Art Departments Look Forward To Renovation Changes

Although no new courses were added to the Art curriculum this year, when the renovation of the art rooms is completed there will be many new courses. There are plans for nine-week mini-courses in sculpture, architecture, painting, and commercial design in which the students move to different rooms and teachers every nine weeks. There will also be a two year course in commercial art, which will undertake lettering and basic training in design. The whole class may undertake a project such as designing and printing stationary for the school. Also being planned are night school and summer school for adults.

Renovation will also bring about much needed changes in the Industrial Arts Department. New shops and equipment will replace the outdated facilities now used. The Industrial Arts Department offers courses in Power Mechanics, Electricity, Graphic Arts, Drafting, Woodworking, Metals, Metalcraft, Auto Mechanics and Electronics.

## Students Work For Credit

The Business Education Department offered a wide variety of courses this year. Courses included Data Processing, Typing, Short Hand, Business Law, Record Keeping, Co-operative Education, Book Keeping and Office Procedure. Office Procedure taught the students office procedure and helped seniors to find office jobs. When jobs have been found for these students they receive pay as well as earning credits.

## Homerooms Aid Student Services

This year the Student Services Department, formally Guidance, was aided by the return of homerooms. Homerooms enabled the counsellors to see more students and in smaller groups. It also helped eliminate a lot of clerical work such as programs. This allowed more individual counselling time.

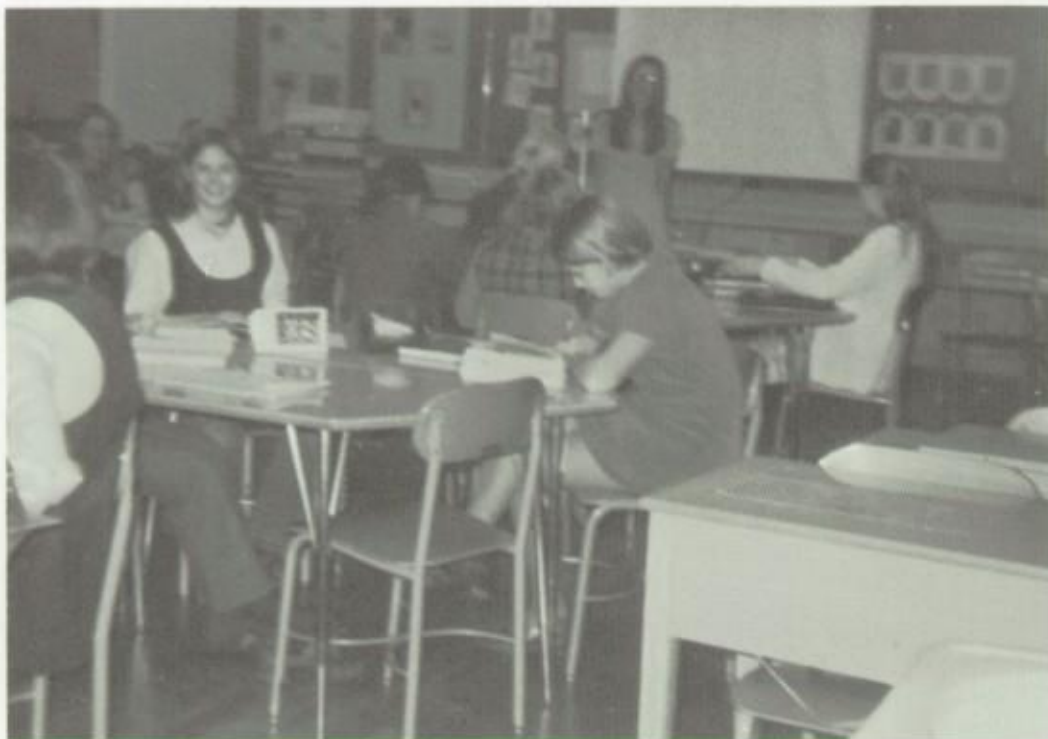

A new program in the department was WISC. The machine used in this program has information on colleges and vocations in Wisconsin on microfilm. It is unique because it is only for Wisconsin and also because it is up-to-date.

Much more than cooking and sewing was part of the Home Economics Department. Consumer Education, Housing and Interior Design, Family Life Education, and Child Development courses were also offered. The only new course this year was the one-year Child Development course. The class spent the second nine-weeks observing in schools and Day Care Centers in the city. The course is a preparation for those wishing to work with small children. Next fall, the Department hopes to offer a course for boys — Bachelor Know-how.

## Children Liven Home Ec. Curriculum

## East First To Skate

Despite crowding caused by the renovation, East's Physical Education Department offered a large variety of courses. There was something for everyone in the courses to choose from. There were many swimming classes, mostly co-ed, from Diving to Life Saving. Dance courses included Modern Dance I and II, Contemporary Dance, and Co-Ed Social Dance. East was the only school in the city to offer ice skating in its curriculum. Gym was not included on everyone's schedule this year. Due to renovation, seniors were not required to take gym, and many took advantage of it.

# STUDENT LIFE

# Homecoming 1970

## Varsity Ablaze

Warming things up with the bonfire, the scene was set for our bruisers 14-0 victory over "Sud's Duds", alias Beloit's Knights.

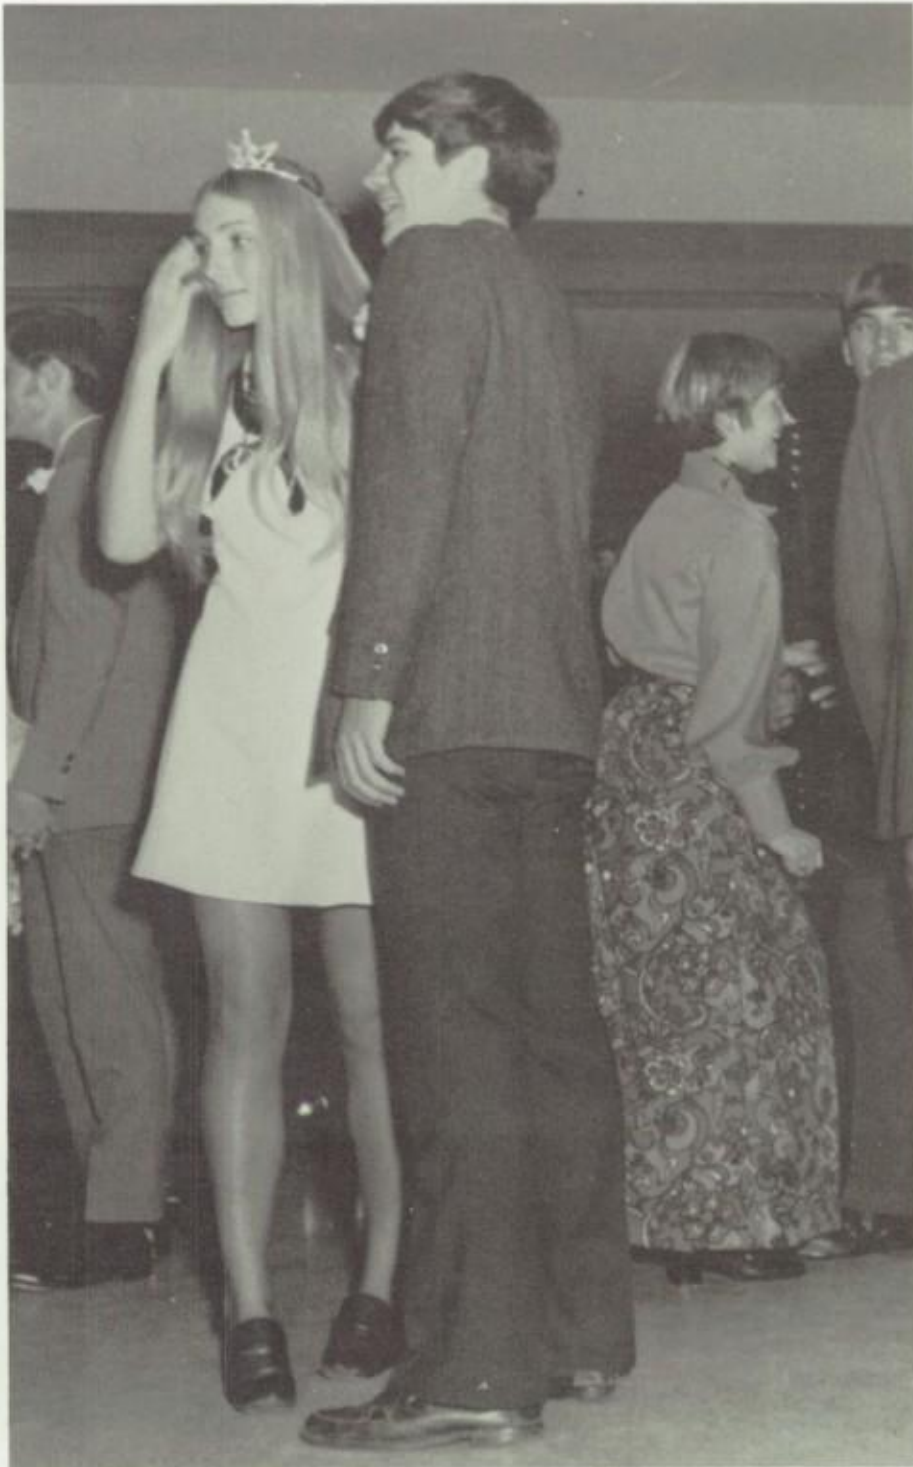

East's homeroom homecoming parade was a great success, due to Polly Stewart and Carol Borman's organization; creative banners; the band's numbers; and of course, our great Gas House Gang.

Peppy starred in the floats which made their final appearance at half-time in the Friday whipping of Beloit. "Fire!", with orange, yellow, and red streamers blazing in the wind was presented by East's talented dance club. The "Varsity Ablaze" dance climaxed the homecoming celebration. Brian Turcott, during the half-time entertainment, presented the queen, Gloria Rugg, and her court.

Left to right: Bill Michaels, Carla Smith, Rick Steinhofer, Susan Anderson, Ed Kwiecinski, Maureen Brown, Steve Salg, Chris Johnson, King Richard Varda, Queen Gloria Rugg, Richard Hoff, Polly Stewart, Jeff Tripalin, Nancy Enders, Peggy Conners, Dan Orvick, Debbie Perkins, Don Wilson.

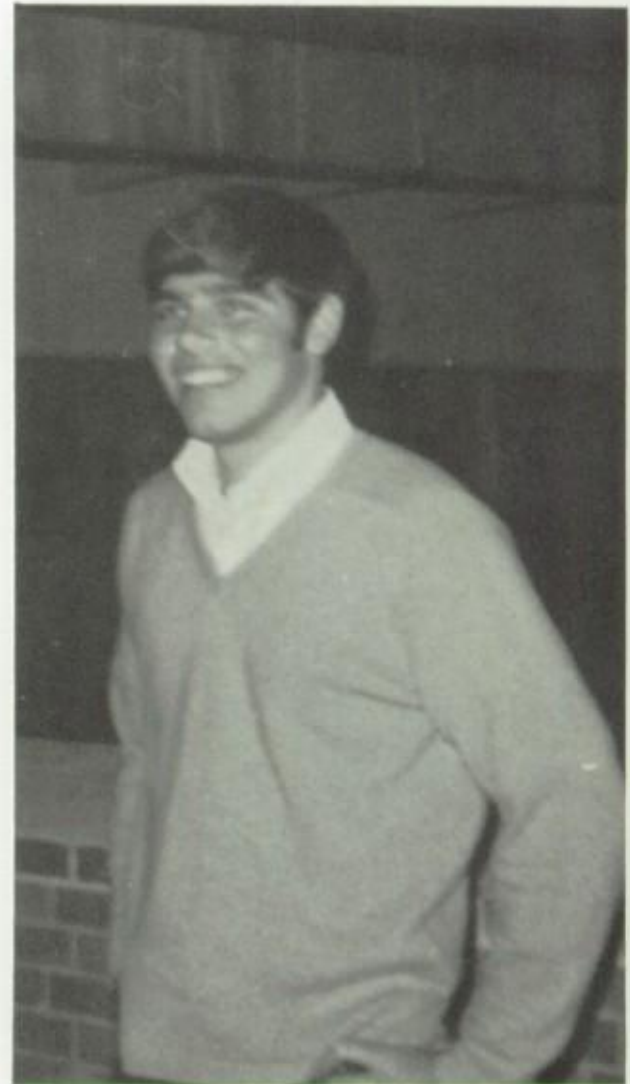

Below is Dave Carlson, this years A.F.S. finalist.

## AFS 1970-71 —

### Sven and JoAn

Sven Haaverstad, East's foreign exchange student this past year, lives in a town outside of Oslo, Norway. Sven who is taking Physics, Speech, Math, Decision Making, and Allied Arts, enjoys the life revolving around a large high school. He is active in the A.F.S. Club, worked on the props committee for the play, and is eager to learn to play basketball. Sven's good sense of humor and personality have enabled him to fit right in and become part of East. "50 years from now, I will be resting in my leaning-chair somewhere in Norway. I will find my scrap-book from 1970-1971, read in my diary and mumble to myself with a broad accent, 'What a lovely year I had, Thank you everybody.'"

JoAn Kuntz, East's A.F.S. representative spent two summer months in Liege, Belgium. JoAn luckily had three years of French, for "Even though the summer was a continuous French lesson, it was a memorable experience." She has close ties with her A.F.S. family, and writes to them often. "I was lucky to have such a fantastic family. There were three kids my age, and there was always something to do.

## East Helps Bring Christmas To Others

Not only does East have great spirit — but a big heart, too. There were food, clothing, and toy drives. Instead of riots and brawls, East broke the front page news with the story of our chain link week which grossed over \$500 for the Empty Stocking Club.

Handel's Messiah was performed by the Mixed Chorus, Concert Chorale, and Sophomore Choir under the direction of Mr. Albert Carr. This same talented group, minus the Sophomore Choir, caroled through the halls during third hour of the last Friday before the welcome Christmas vacation.

## School Days . . . School Days?

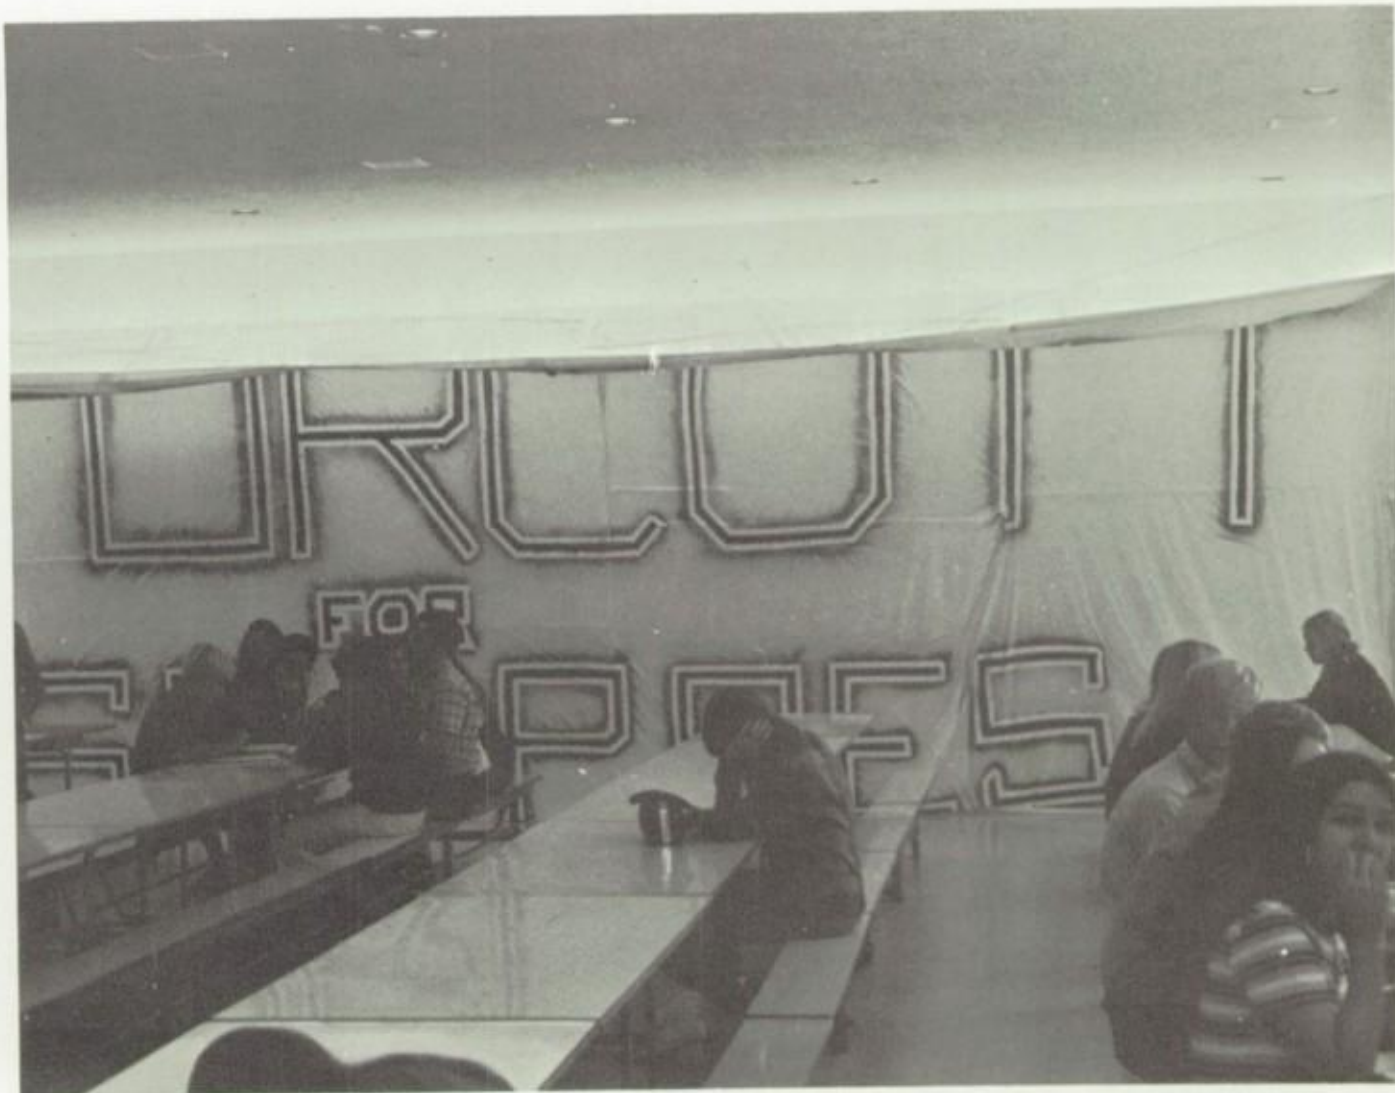

The menu and the decor of the formal dinner held in the cafeteria was described by Phil Froncek, "We began with Le Rouge 1948, the entree was King Crab followed by flaming haunch of yambat and for dessert, Baked Alaska." With an imported tablecloth from Istanbul, candles by Rennebohms, and fine porcelain china, the ceremony had a high degree of class. The elaborate, black-tie affair hit a high note with prayers by the Rev. Donald Wilson.

A Tin Woman, Devils, Nuns, and Bunnies characterized Costume Day on October 30. It was another infamous Mickey Mouse day at East.

Moving things right along, we came upon election in the Turcott spirit. The rigorously fought campaign resulted in: Senior President — Brian Turcott; Vice-President — Ron Price; Secretary — Jane Bush; Junior President — Pete Woerpel; Vice-President — John Mercier; Secretary — Kitty Miller; Sophomore President — Tom Nelson; Vice-President — Pete Debenham; and Secretary — Donna Boyer.

## “The Great Big Doorstep”

This year's fall play was “The Great Big Doorstep” by Frances Goodrich and Albert Hackett. It was a theatre-in-the-round presentation in Gym Y because of the renovation process, and it was agreed that this type of presentation was a big success. The action of the play takes place at the Crochet home in Grass Margin, Louisiana. The story is mainly of Commodore and Mrs. Crochet's efforts to raise some money and move to a better home. They eventually do move, but not without weathering some family crises, such as Topal's husband-hunt; big bad Tayo hitting nice Mr. Tobin on the head with a brick; Arthur rebelling, leaving home along with Topal and even getting a pool rack stuck in his mouth; and the landlady, Mrs. Dupre, with her threats of eviction. “The Great Big Doorstep” was a play worth seeing, even with the not-so-soft bleachers, and was attended by about 800 people.

# Drop-In

What keeps East kids off the streets on Tuesday nights? The place is Drop-In, where anything might happen. The regular amusements are swimming, basketball, pool, ping-pong, chess, checkers — or almost anything you can name. For those who are more academically minded, the IMC, Art rooms and Chemistry Labs are open. The special attractions of Drop-In ranged from Square Dances to a Spanish Club Fiesta and German Club Kaffeestunde.

## Twirp '71 — 'What A Way To Go'

Twirp arrived this year on February 20. From 8:30 to 11:30 couples twirped around the floors of East's Cafeteria to the music of Beau-Geste. 'STOP', 'NO PARKING', 'FOOD, GAS, and LODGING' type road signs were twirpingly hung on the walls. By the end of the evening most of the decorations had been twirped off by the couples attending. Even though the woman was required to pay, and do the asking everyone seemed to have a great 'Twirpin' Time.

# Folk Fest

East's Second Annual Folk Fest was held on January 15. The Folk Fest, featuring the Parabolic Rush, was sponsored by the Language Clubs at East.

Each club had separate decorations and entertainment.

The French Club, featuring "A Cafe in Monmartre" had a group of French singers for entertainment.

The colors of the German flag decorated the German section. German students entertained by dancing the Schuhplatter.

Although the Spanish Club students performed the Mexican Hat Dance the audience was encouraged to join in. A Cafe in Madrid was the club's theme.

An arousing gladiator fight was inacted by Latin Club members. In fact their whole section was surrounded by an old Rome atmosphere.

In addition, each club prepared and sold traditional foods from their country.

# Gimme A Little Pep, Will Ya Huh?

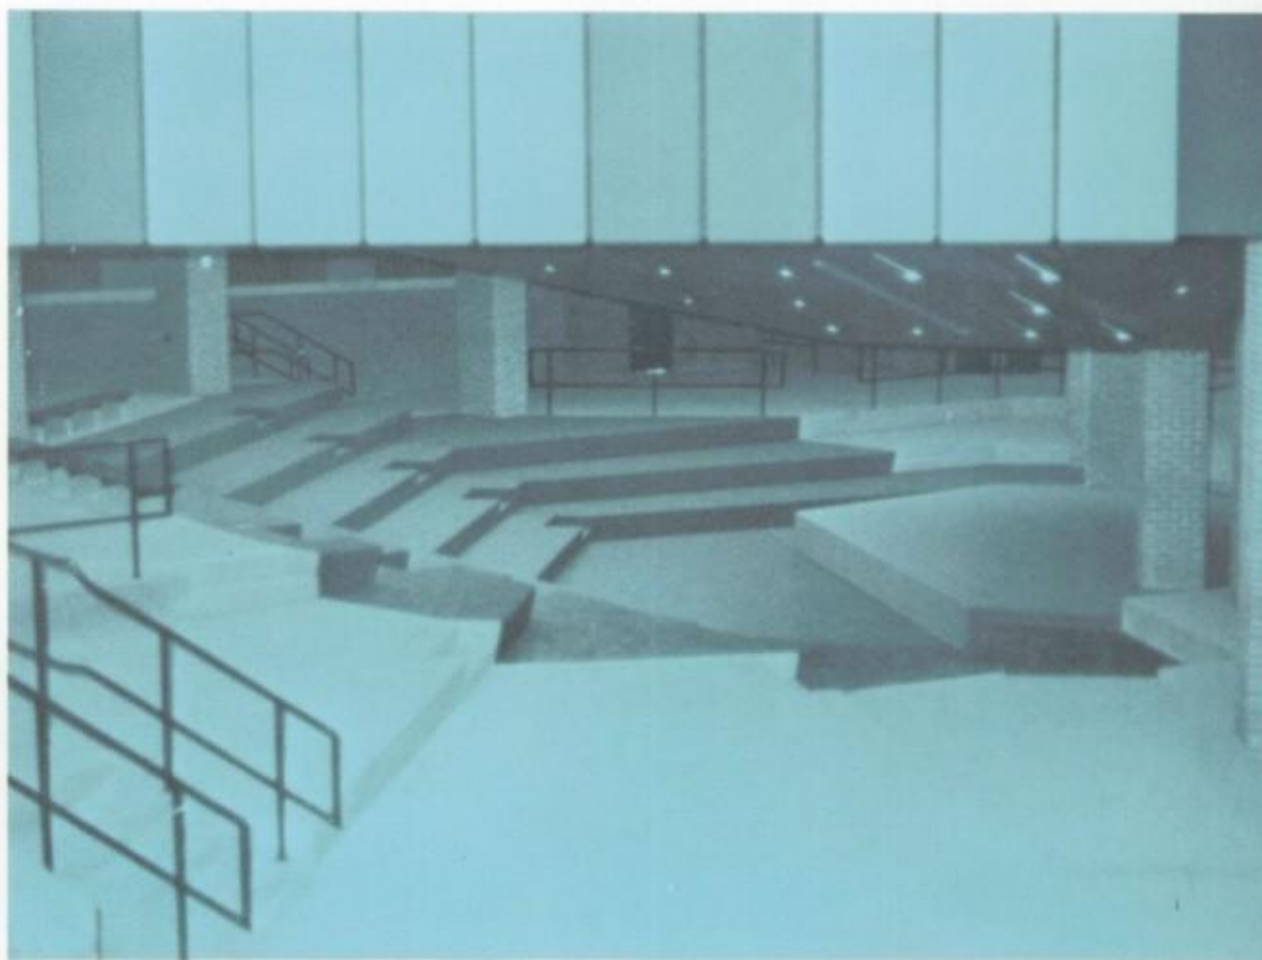

# Dressing The Show

A new type of show was put on by the Stage Make-Up and Costume Club at Drop-In, in the new Mall. It was a mixture of singing, dancing, acting and just plain modeling. The main purpose of the show was to show students the costumes that have been used throughout the years in the many productions staged at East. The costumes ranged from shows such as "Oklahoma" to "The Skin of Our Teeth".

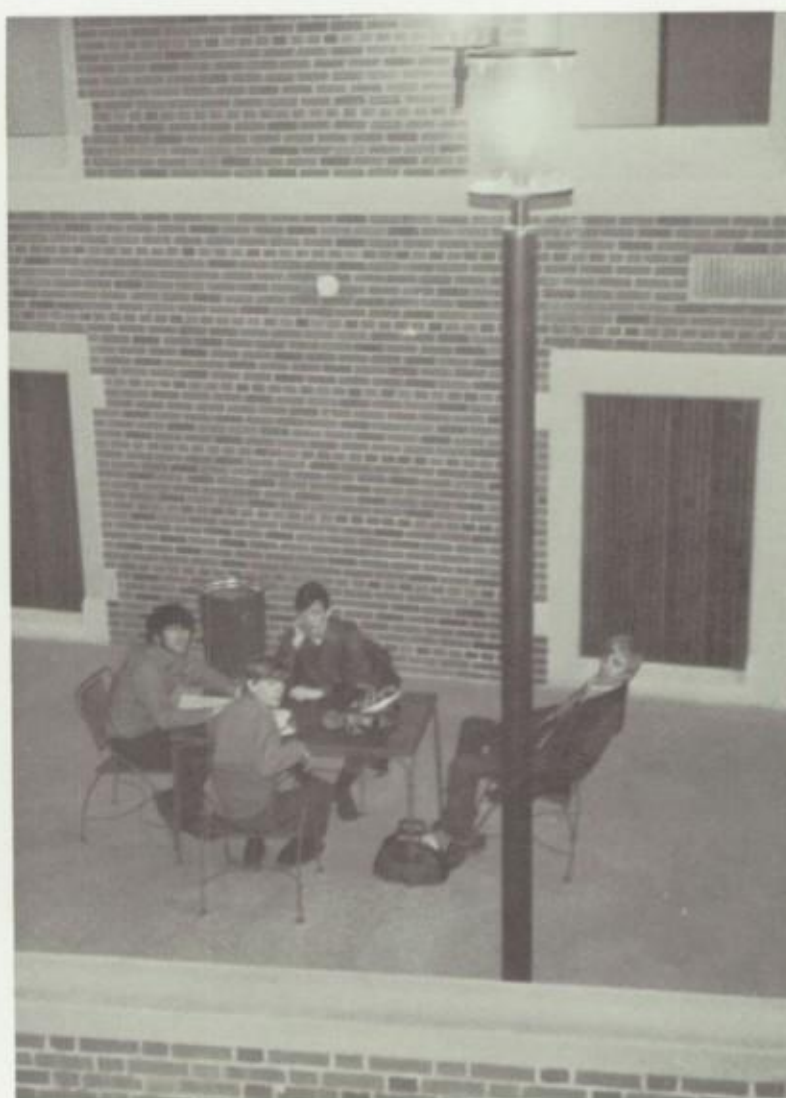

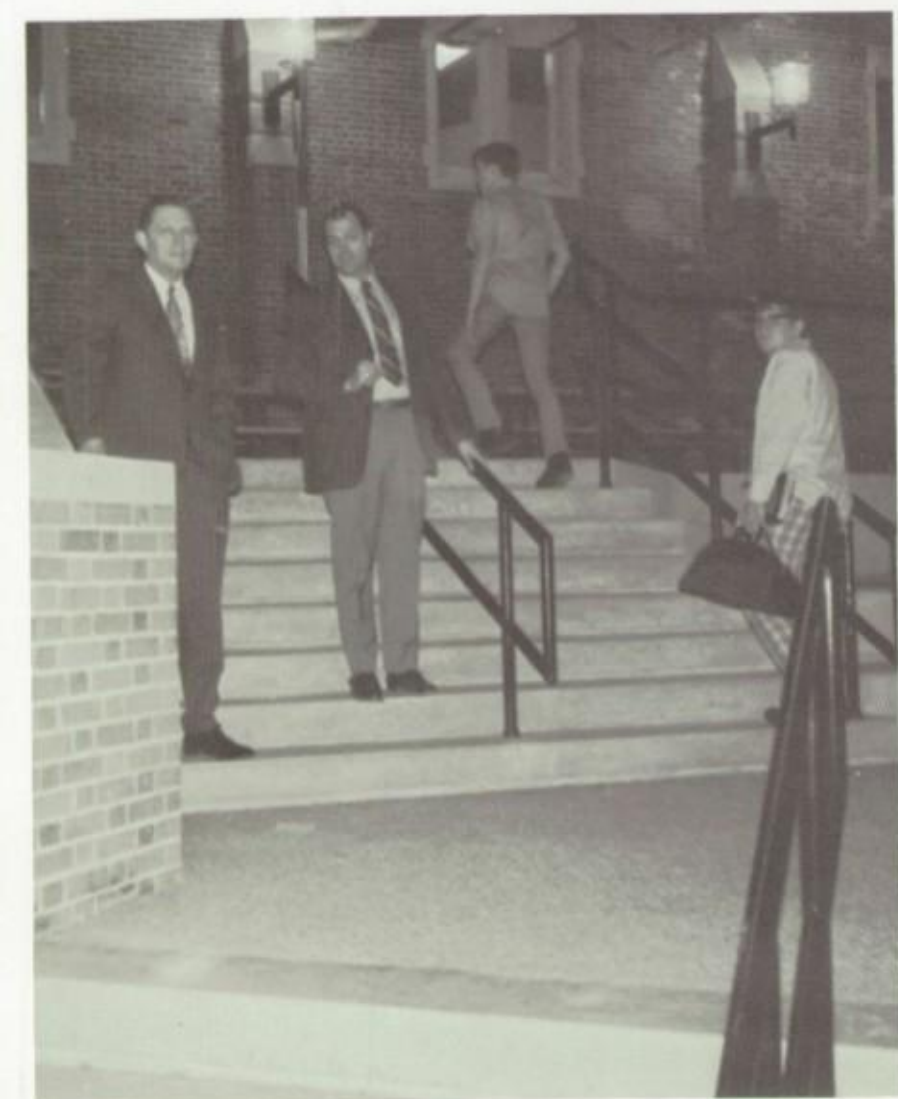

## Renovation Phase I

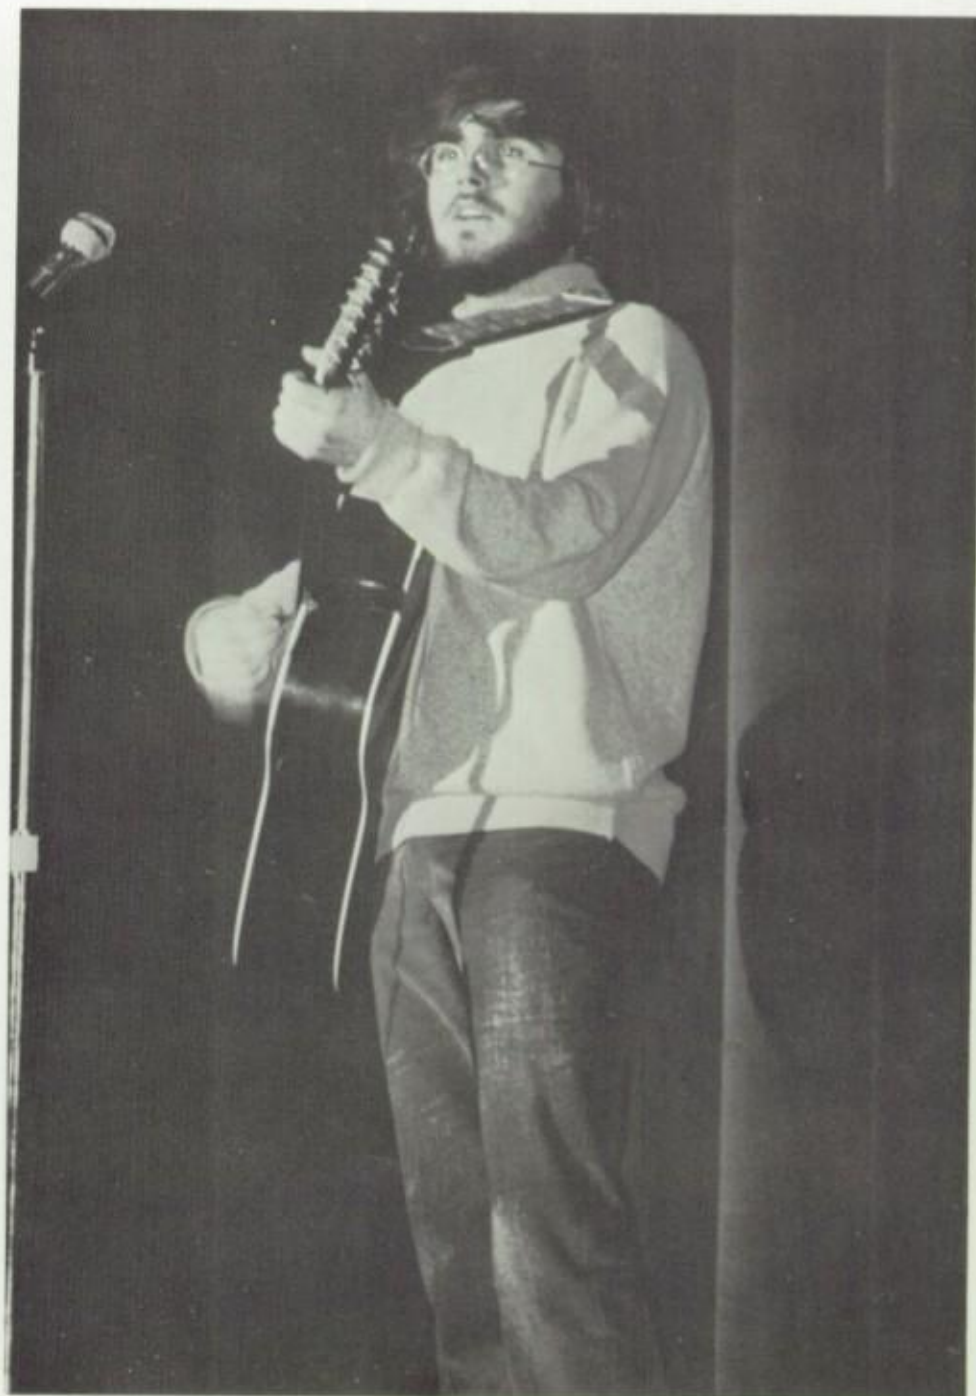

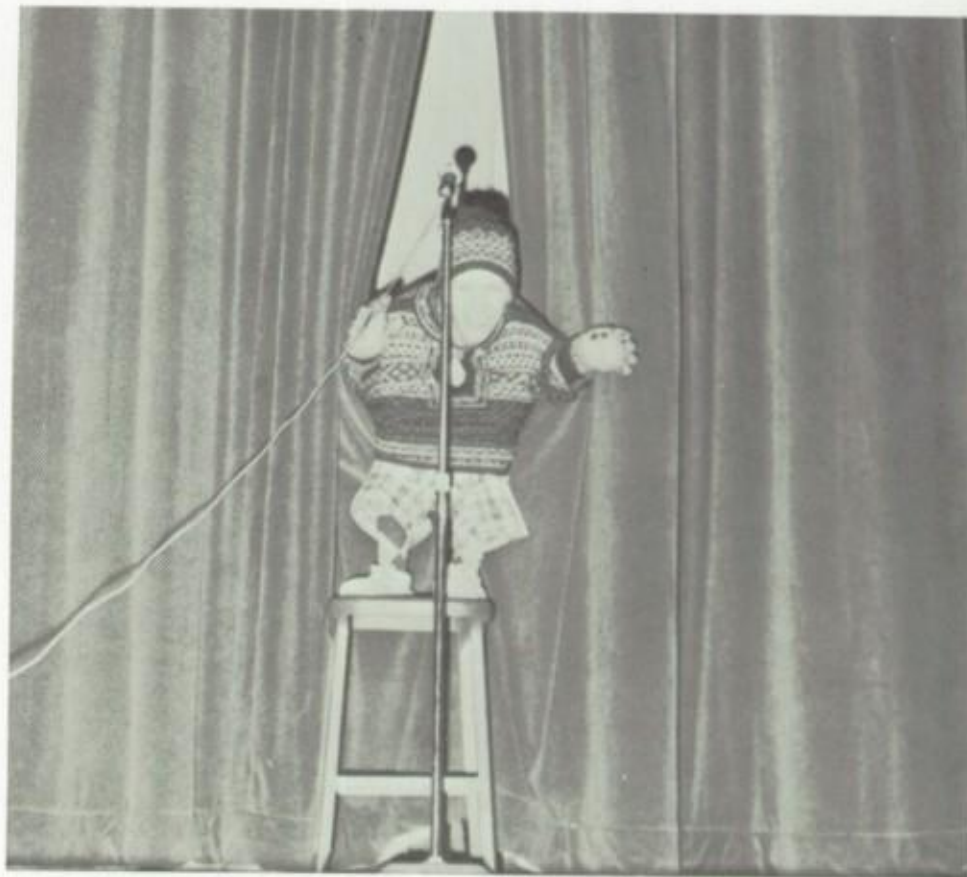

# East's Talent Helps A.F.S.

"The show was a success and the money (\$921.75) really nice," said Joan Kuntz, AFS president, looking forward to East hosting another AFS student next year.

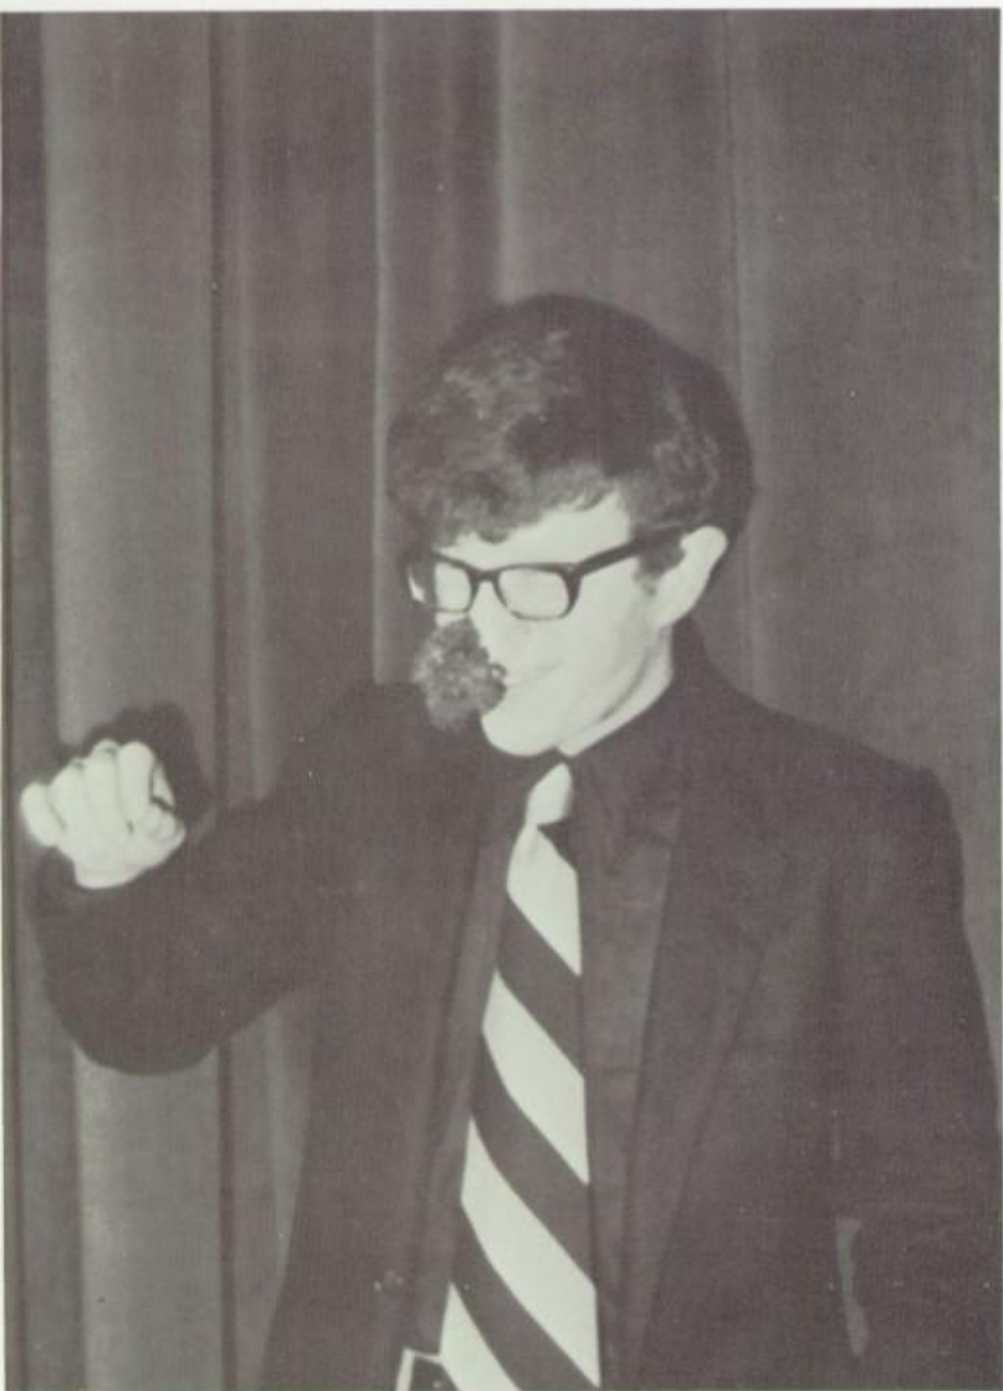

"We were really pleased with the 119 kids working on the show," remarked Miss Fosse, one of the clubs enthusiastic advisors. Mr. Kral found working on the talent show this year, "Verrry In-tér-est-ing."

East's many varied talents gave a fine showing. With the unbelievably fantastic singing talents of Dawn Ferris, Ann Stauffer, Dave Schnieder, Jim Varsos, and Brian Turcott's passin-it jokes, the show never saw a dull moment. Ducks, panthers, and a worm all made their dancing debut. The Dixieland band kept the show swinging and the audience loved 'em. Singing and instrumental acts such as the trumpet solos, "A Beccarac Melody", and a song from the musical "Cinderella" added variety to the show. The crowd was also caught up with the antics of our Norweigan dwarf, Mousekateers, and the calliope.

In the words of one East High Student, "All in all I think this was one of the best events of the year."

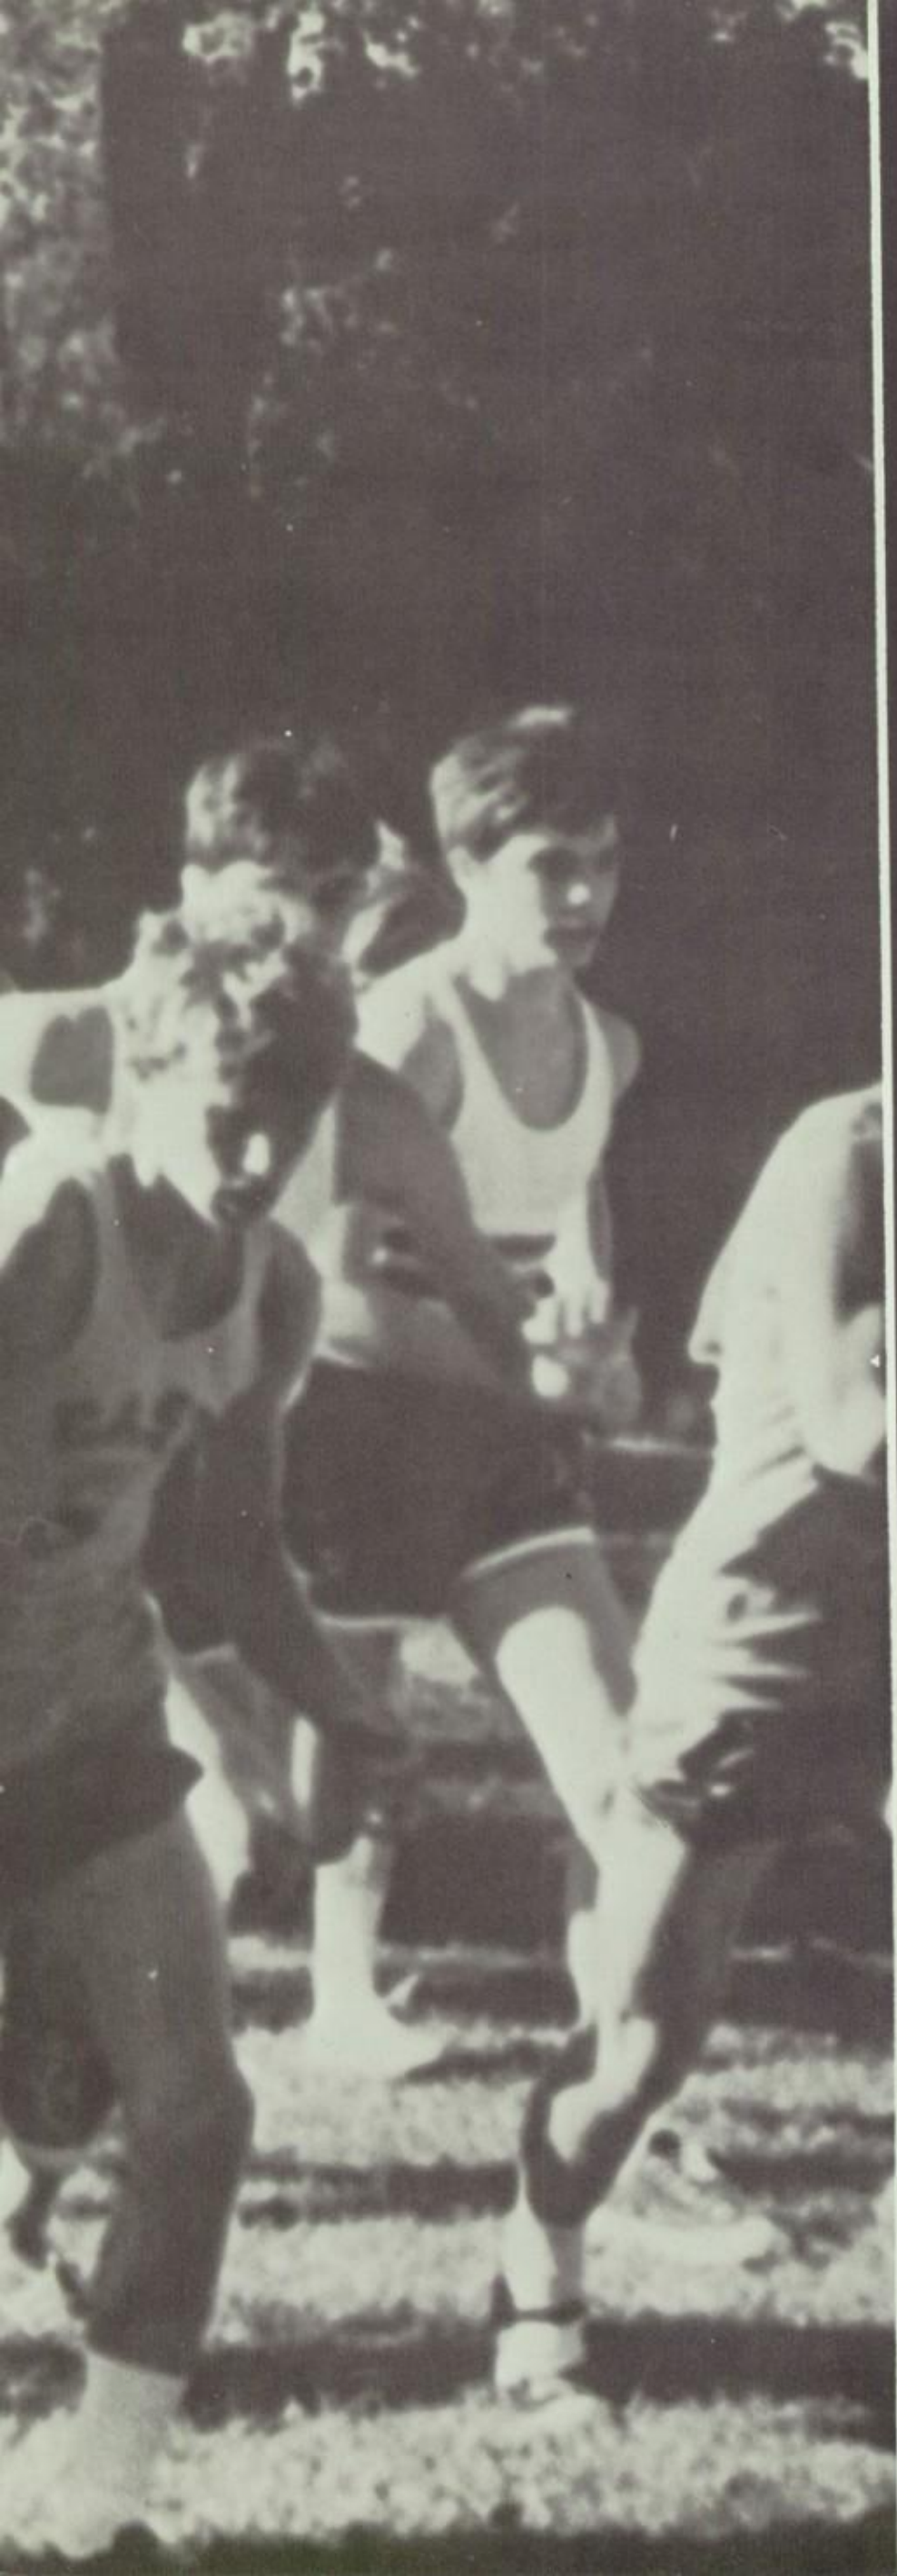

# S P O R T S

# Football

Rough and tumble, physical, football teams have been the hallmark of East High School. This year's team can hold its head high to this proud tradition. Lead by Dan Orvick, (Outstanding City Back, all Big Eight, and honorable mention All-State) and Tom Goff (All-City and Big Eight linebacker) East fought its way to a 5-3 overall record and a 3-3 record in the Big Eight. This 3-3 record was good for a third place tie in the standings along with West and LaFollette.

Other outstanding players named to the All-City first team included Pete Hockett, Hunter Sherry, Steve Springman and Neil Tygum. Named Honorable Mention were Rick Kowing, Jim Rosas, Steve Salg, John Schiller, Ken Starch, Geoff Tripalin, and Don Wilson.

Best remembered moments of the season were the 14-8 victory in the rain over Janesville Parker, the 19-7 victory over West, and the Homecoming victory over Beliot 14-0.

Front Row: Jim Rosas, John Schiller, Mike Waters, Bill Shroeder, Don Wilson, Dan Orvick, Tom Goff, Steve Salg, Bob Arnold, Dan Thompson, Geoff Tripalin, Gerald Nesbit. Row 2: Tim Cullen, Dan Stumph, Tim Ryan, Joe Walsh, Jon Bastein, John Williams, Ray Moore, Steve Meyer, Dennis Frey, Jim Hanson, Norman Johnson. Row 3: Neil Tygum, Jim Schara, Ken Starch, Mark Kidd, Mark Matteson, Richard Varda, Rick Kowing, Pete Hockett, ? Lee, Steve Springman. Row 4: Rick Hughes, John Davenport, Mike Sullivan, Bruce Otto, Greg DiPiazza, Terry Holmes, Dave Carlson, Dan Ross, Hunter Sherry, Gary Lapotka. Row 5: Ben Thornson, Lester Cammer, Tom Kiewow, Chuck Devine, Bill Mentzer, Kirk Dyer, Steve Hoff, Joe Soderholm, Bob Lex, Coach Rouliet. Back Row: Coach Hungerford, Coach Webster, Coach Moerke, Coach Richter, Coach Chartaw, Coach Ackley, Head Coach Kelliher.

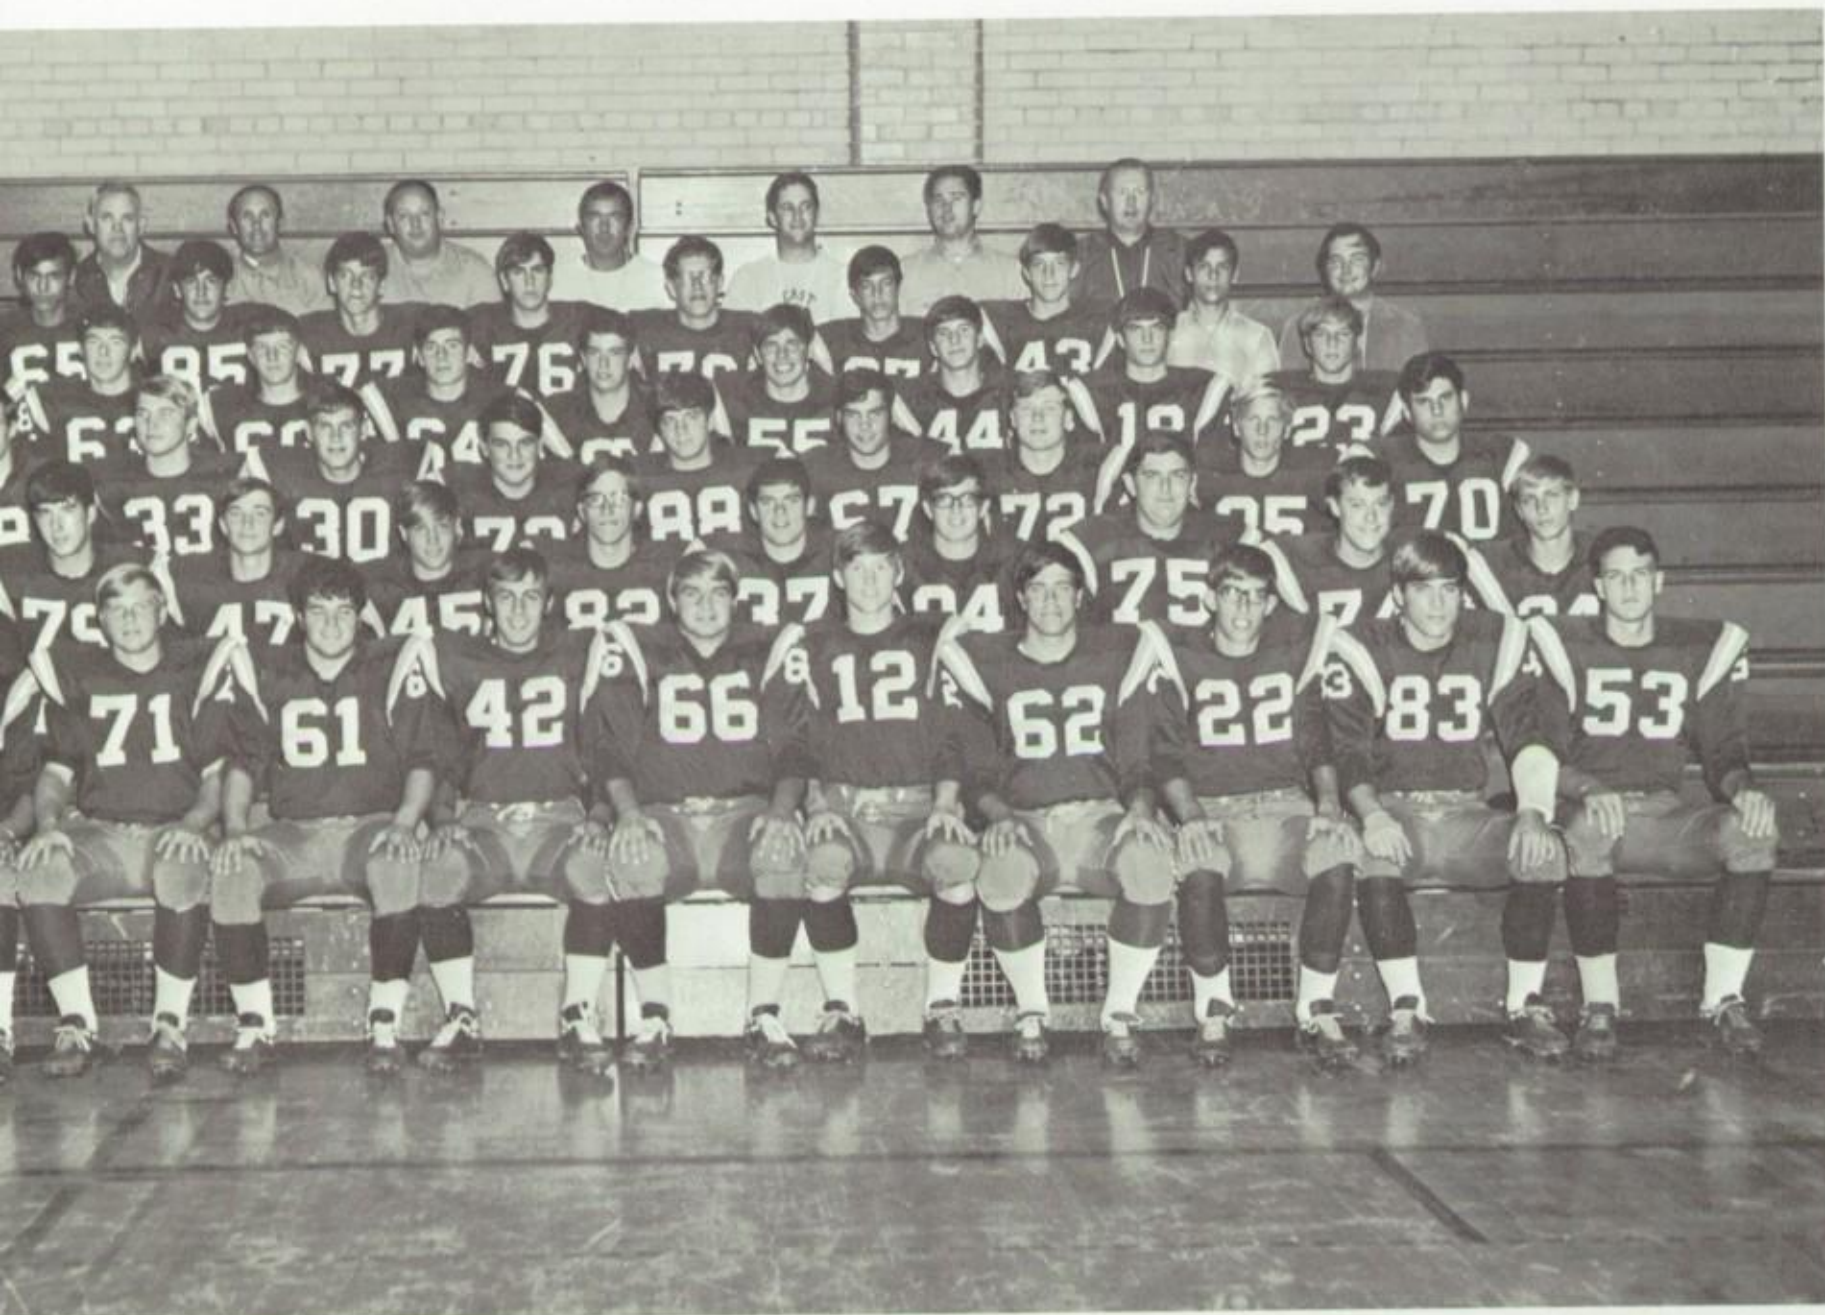

## SEASON RECORD

	14	0	Beliot Memorial
	7	27	Janesville Craig
(Non-Con)	20	8	Racine Horlick
	0	36	Madison LaFollette

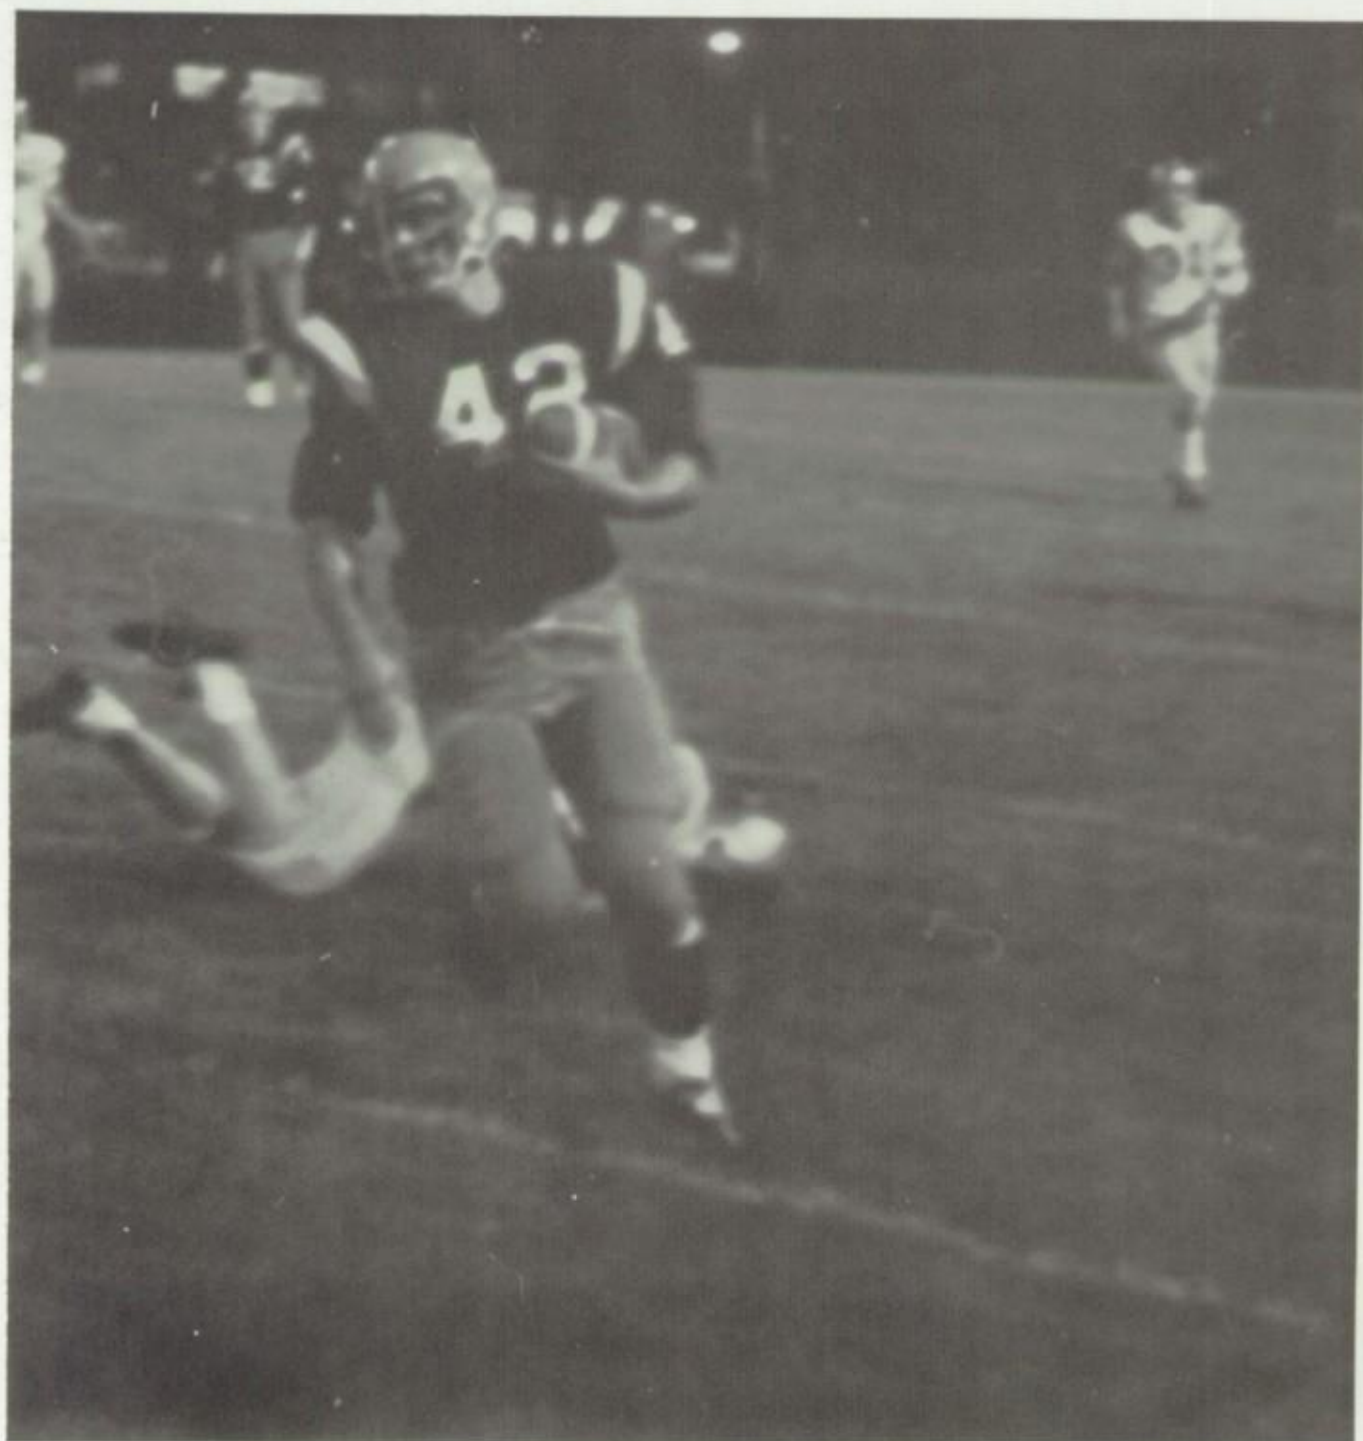

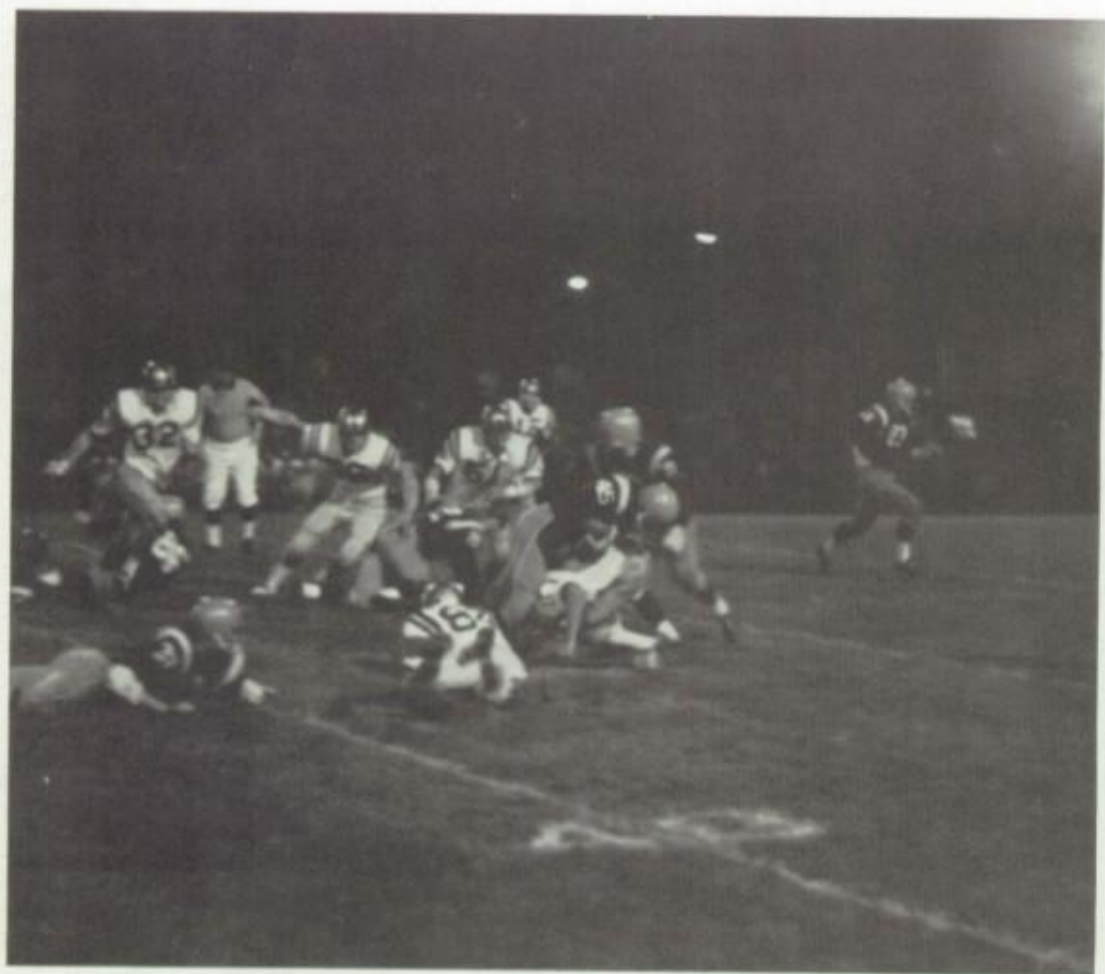

Our 3-3 conference record was good for a 3rd place tie with LaFollette and West.

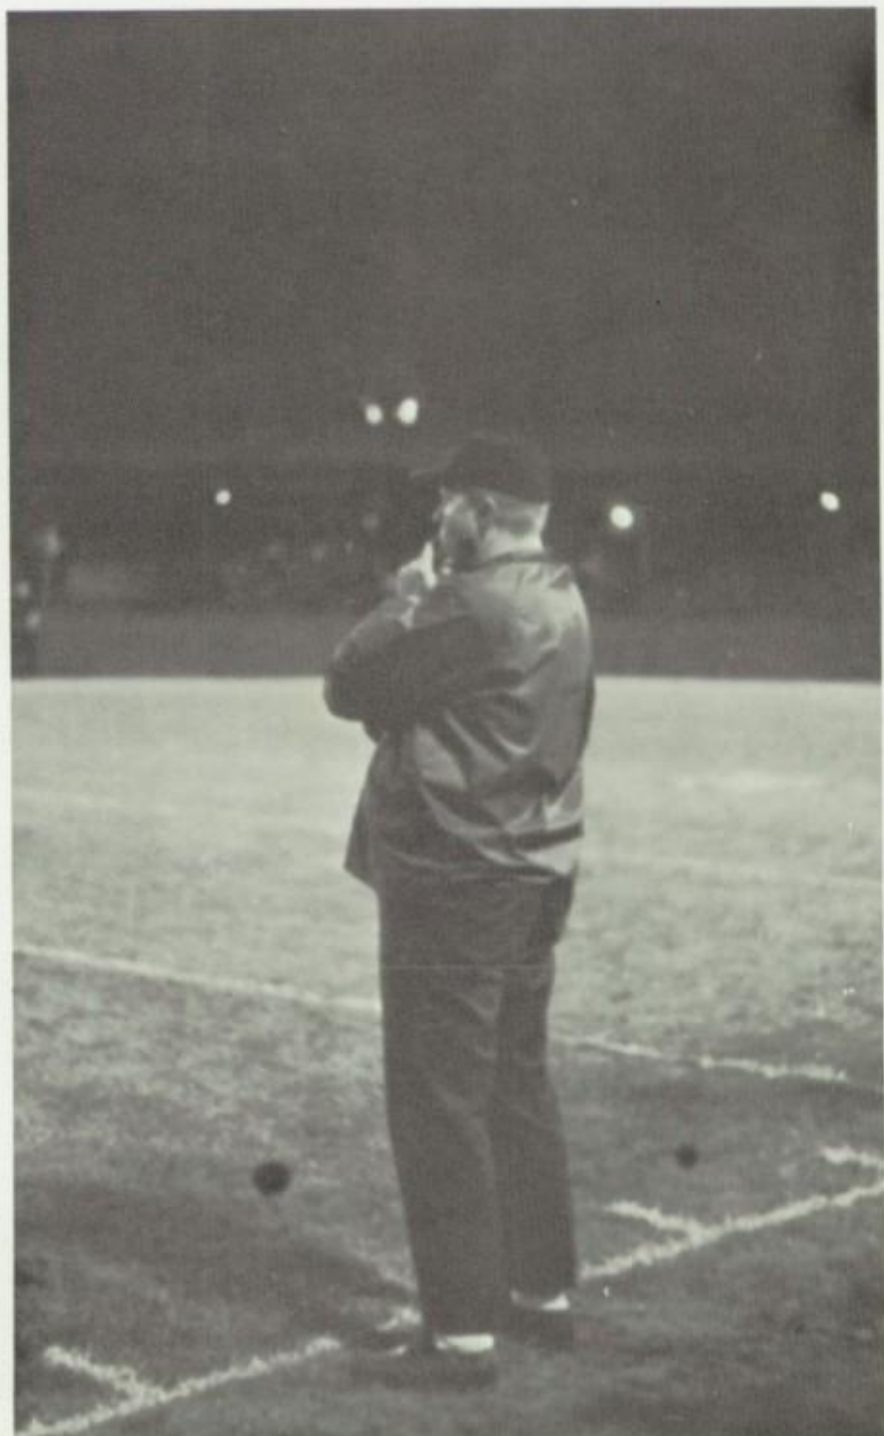

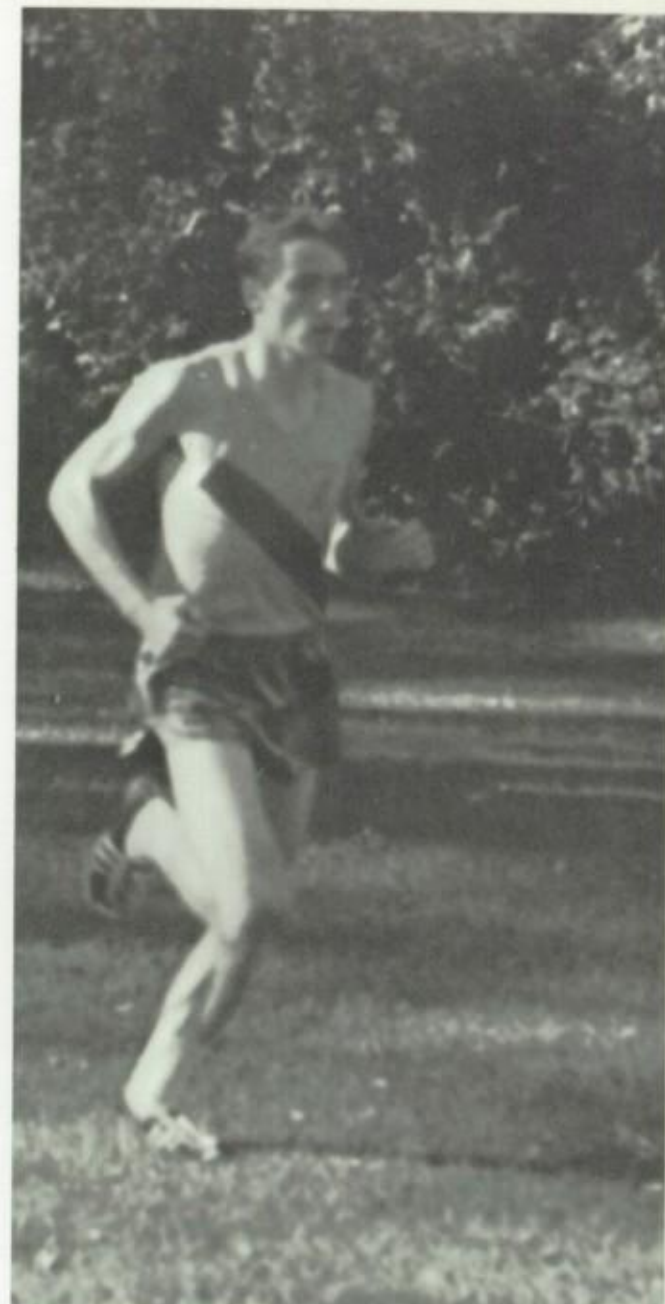

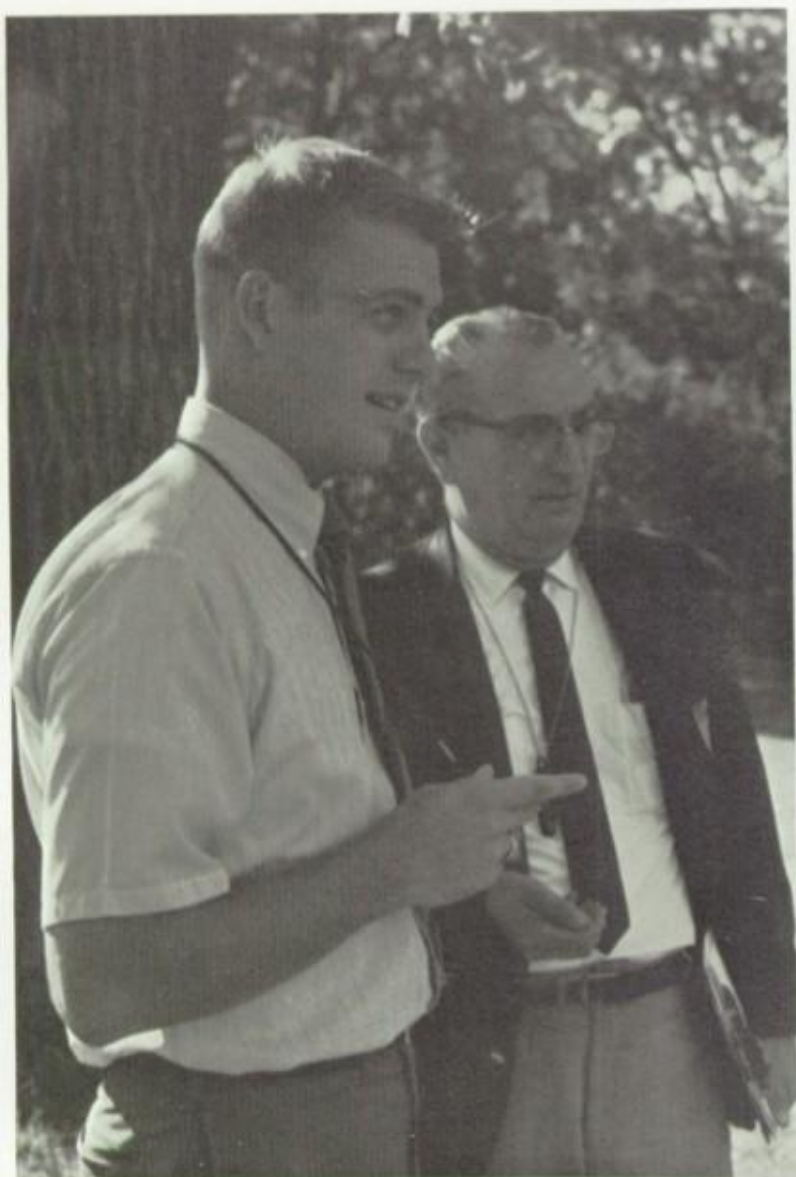

## Cross Country

This season the East High Cross Country team achieved four dual meet victories. This was the best record of the past four years. Led by Steve McCarthy and Captain John Andrews, the harriers placed fourth

in the Big Eight Conference Meet with those two runners placing tenth and sixteenth places respectfully. The team was third in the State Regional Meet and ninth in the State Sectional Meet.

Front Row: Bill Pond, Jim Prieve, Gary Ninedorf, Leo Warren, Dennis Ehle, Jon Stauffer, John Karls, Greg Toussaint. Second Row: Captain John Andrews, Herbie Warren, Brad Vine, Joel Herman, Dan Beld, Jeff Kleinert, Rick Knoche. Back Row: Coach Murray, Jim Anderson, Jim Arneson, Jim Rutherford, Steve McCarthy, Don Trapp, Phil Froncek.

# Volleyball

The progress of this year's volleyball squad was encouraging when compared to last year's squad. A good turnout of new athletes along with returning lettermen formed the basis of an almost championship team. Coach Earl Lindenlaub expressed this optimism when he said "This team could easily go to the State Championship." The rapid development of some new varsity members along with the seasoned veterans was the cause for this optimism. Lack of experience hurt the team in its first matches but later matches showed their good team work.

This year's first match was a sweep for the Purgolders as Middleton lost three games. The season's first loss was a disappointing 2-1 upset by Sun Prairie.

In the City Series, East defeated LaFollette and lost to Memorial in the first meet. Both West and Memorial edged out East in the second meet. In the final meet, East upset LaFollette and West by a large margin of points. This placed the team in third place with a three and three City Series final.

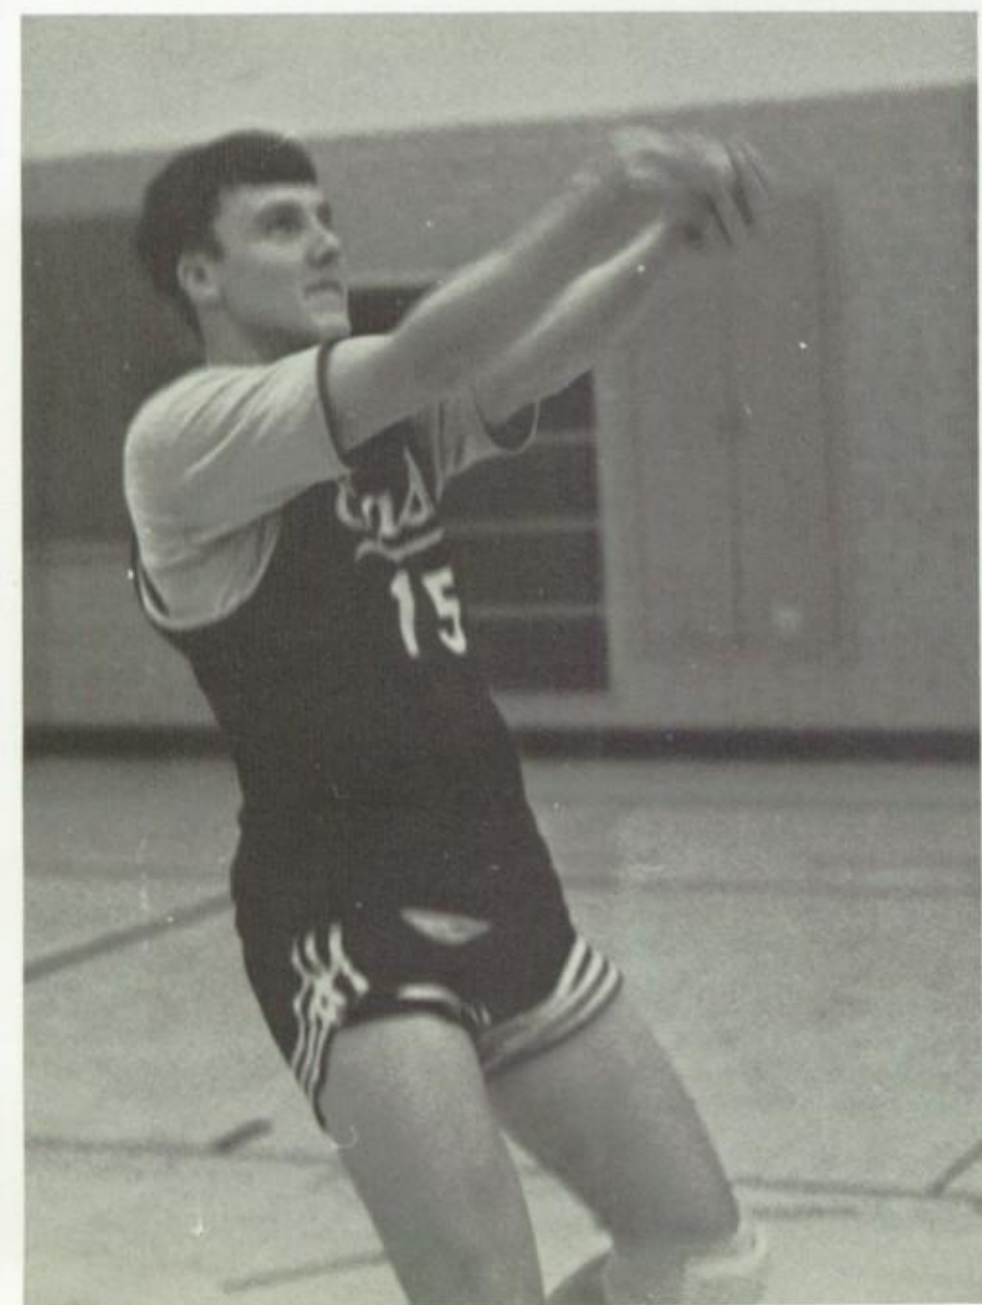

The team did fairly well in State competition, winning over LaFollette and Middleton in the first regionals, and losing to Sun Prairie in the sectionals. It was a fair season for the netters with a final record of seven wins and five losses.

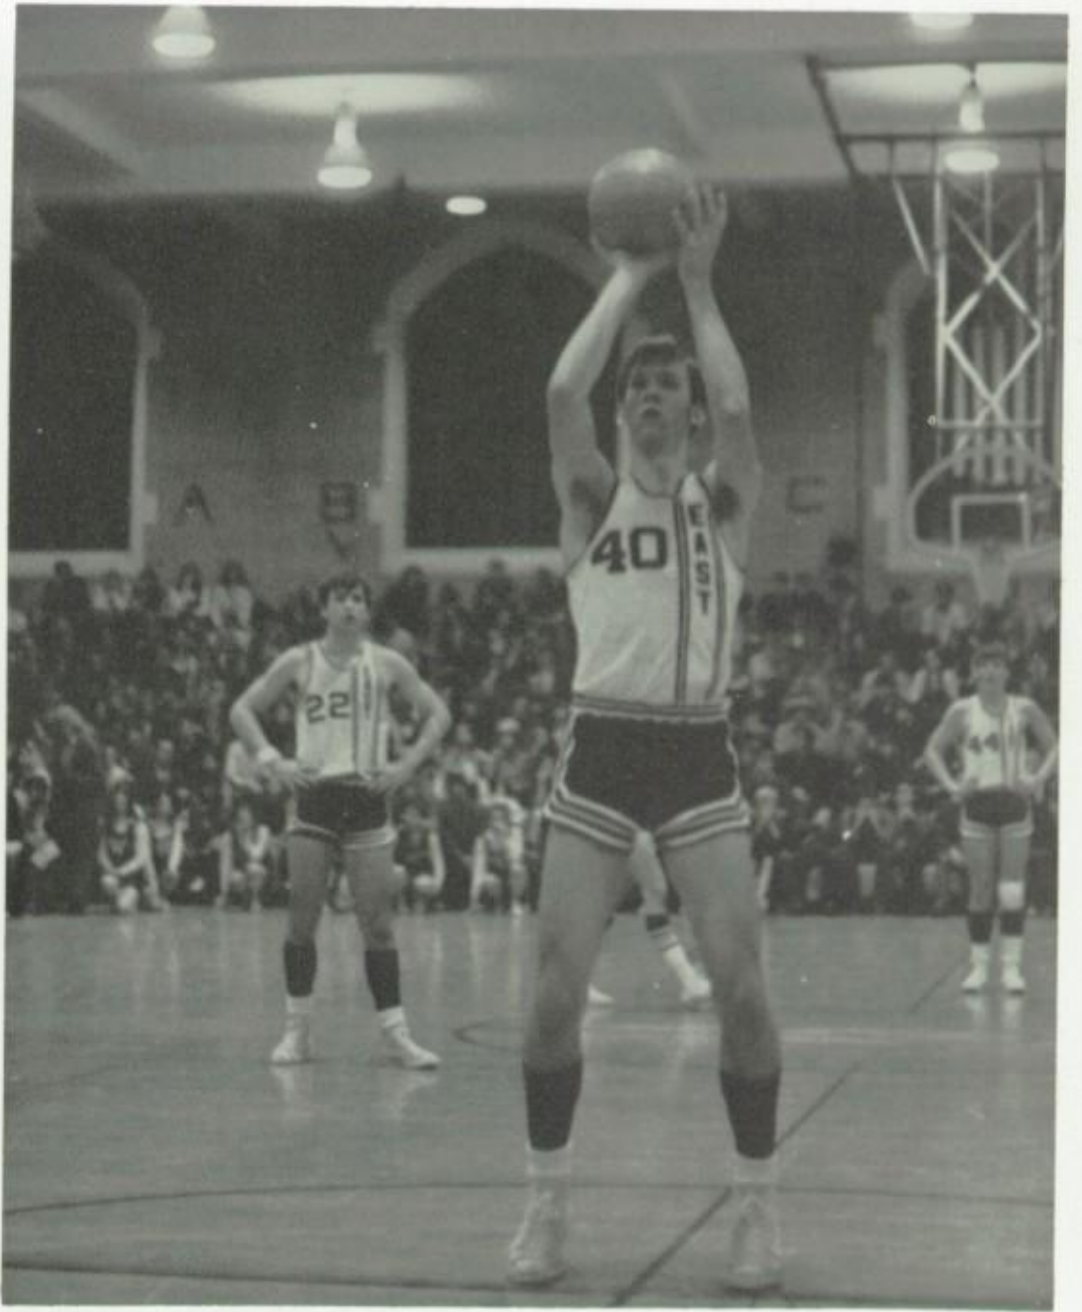

Front Row: John Czerepinski, Greg Koltes, George Bednar, Mike White, Mike Stebbins, Kurt Fuzard, Eric Egerstrand. Back Row: Doug Walters, John Wal-  
lin, Glen Sailing, Dave Stankevich, Mike Palton, Mark Falk, Dan Mooney, Tom Rutherford.

Front Row: Tom Rutherford, Tom Yttri, Dan Mooney, Steve Salg, Mark Falck. Back Row: Mike Smith, Al Gordon, Mike Sadler, Napoleon Elvord, Harold Harder, Ben Thornson, John Mercier, John Schiller, David Goldsby, Dan Pogue, Dave Stankevich, John Rakow.

# Varsity Basketball

Tradition has always played a big part in the thrilling sport of basketball at East. This year has been no exception with thrills, spills, and disappointments in each game. Unfortunately, two of the most thrilling games have also been two of the most disappointing. Both regular season games against West this year went into overtime and both were lost — the first by 8 points and the second by only 2 points.

Fortunately, another real thriller went in our favor when two baskets in the fading seconds enabled us to pull out a five point victory over otherwise unbeaten Sun Prairie.

In another grudge match, our boys defeated La Follette three times including a tournament victory.

This year's edition of the Purgolders was a real team effort, with each individual contributing a necessary element of success. Dan Mooney contributed cool-headed generalship and ballhandling,

balancing the impetuous drive and spirit by Steve Salg. Tom Yttri once again contributed his magnificent outside shooting, preventing the opposition from collapsing in our "big fellows in the middle." Mark Falck, whose control of the boards and jump-balls was both consistent and excellent, and Tom Rutherford, who played excellent games in the tournament, gained valuable experience which should make him a star player next year as a Junior.

No team can function well without a bench and ours was amply stocked with talent. Harold Harder, a Senior, frequently came in in the latter part of a game to bail us out of foul trouble. Ben Thornson gained much valuable experience and along with Rutherford, should enable us to control the boards next year.

Coach Belisle should find help in the backcourt from Tipler and Goldsby, who is regarded as one of the best ballhandlers to appear at East in some time.

## Hockey

Coach Webster's pucksters came through a great season with a record of 15-4. East outplayed West in their second meeting to win 4-2 and tie for city series championship.

In the State Tournament East reached the semi-finals by whipping Waupan 8-1. They put up a good fight against

defending state champion Superior but failed to make the finals by a score of 5-3.

Most of this years top players will return for more action next season except for the loss of three fine seniors, Jeff Kleinert, Dick Lappen, and Rick Raemish.

Left to Right: Captain Hunter Sherry, Duane Kopp, Bob Lee, Bob Stevenson, Bill Sweeney, Jeff Kleinert, Jay Rendall, John Suter, Jack Bush, Chuck Carpenter, Jim Auchae, Dick Lappen, Rick Kiley, Kirk Dyer, Bill Caswell, Rick Raemish, Tom Schwarz.

Front Row: Al Christensen, Bill Winge, Mark Kidd, Jim Johnson, John Wallin, Winston Piotrkowski, Glen Sailing, Dale Ahlvin. Back Row: Coach Carlson, Eddie Grindle, Dan Carey, Dan Oasen, Dave Klein, Steve Lehman, Dave Carlson, Chuck Thierer, Leo House, Bill Schara.

## Curling '71'

The Curlers started the season with a lot of talent from the previous year. They were led by lettermen Jim Johnson, Bill Winge, Mark Kidd, and John Wallin. Johnson and Winge were on the team that had taken third in the state the year before.

The team lost its first few games in league play but did well in Bonspielior tournament play. They took first place in the third event at the Wasaw bonspiel with a 4-1 record. Coach Carlson's curlers also took the city championship with a 3-0 record. They were helped this time by senior Winston Piotrkowski.

The season ended with some impressive league victories, including a win over champion Poynette. Although disappointed that the team didn't get into the state meet this year, Coach Carlson expressed high hope for next year's squad.

## Wrestling

The Wrestlers, capitalizing on experienced seniors, and a good turnout of underclassmen produced many fine performances this season.

Comeback victories were common place as the Purgolders overcame 13-4 and 15-3 deficits to win 26-16 and 20-18 victories over West and Memorial. The dual meet record of 5-7 and 2-4 in the conference was the primary disappointment of the season.

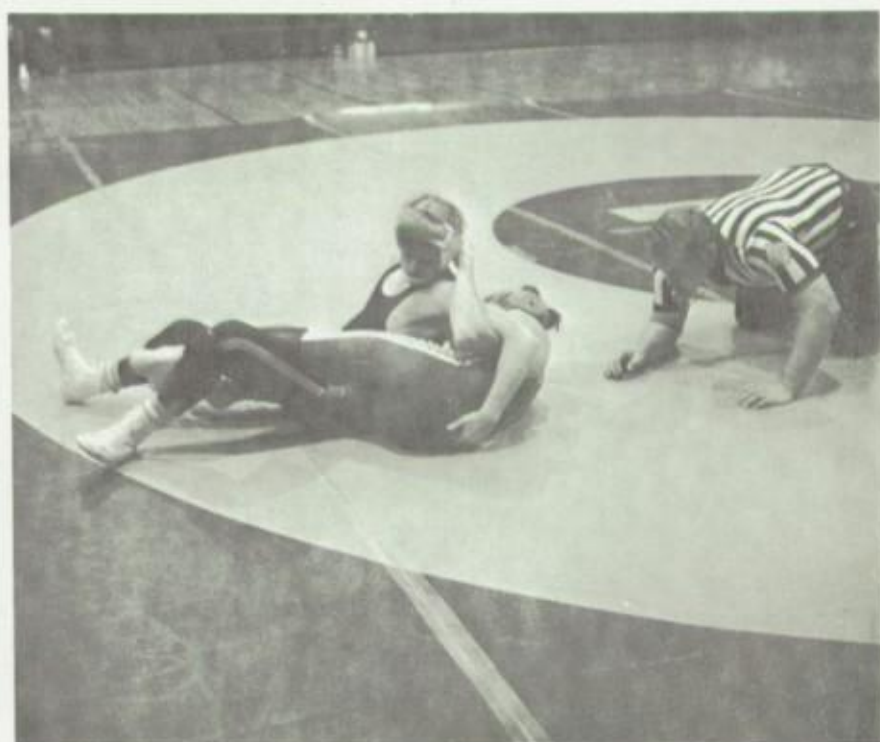

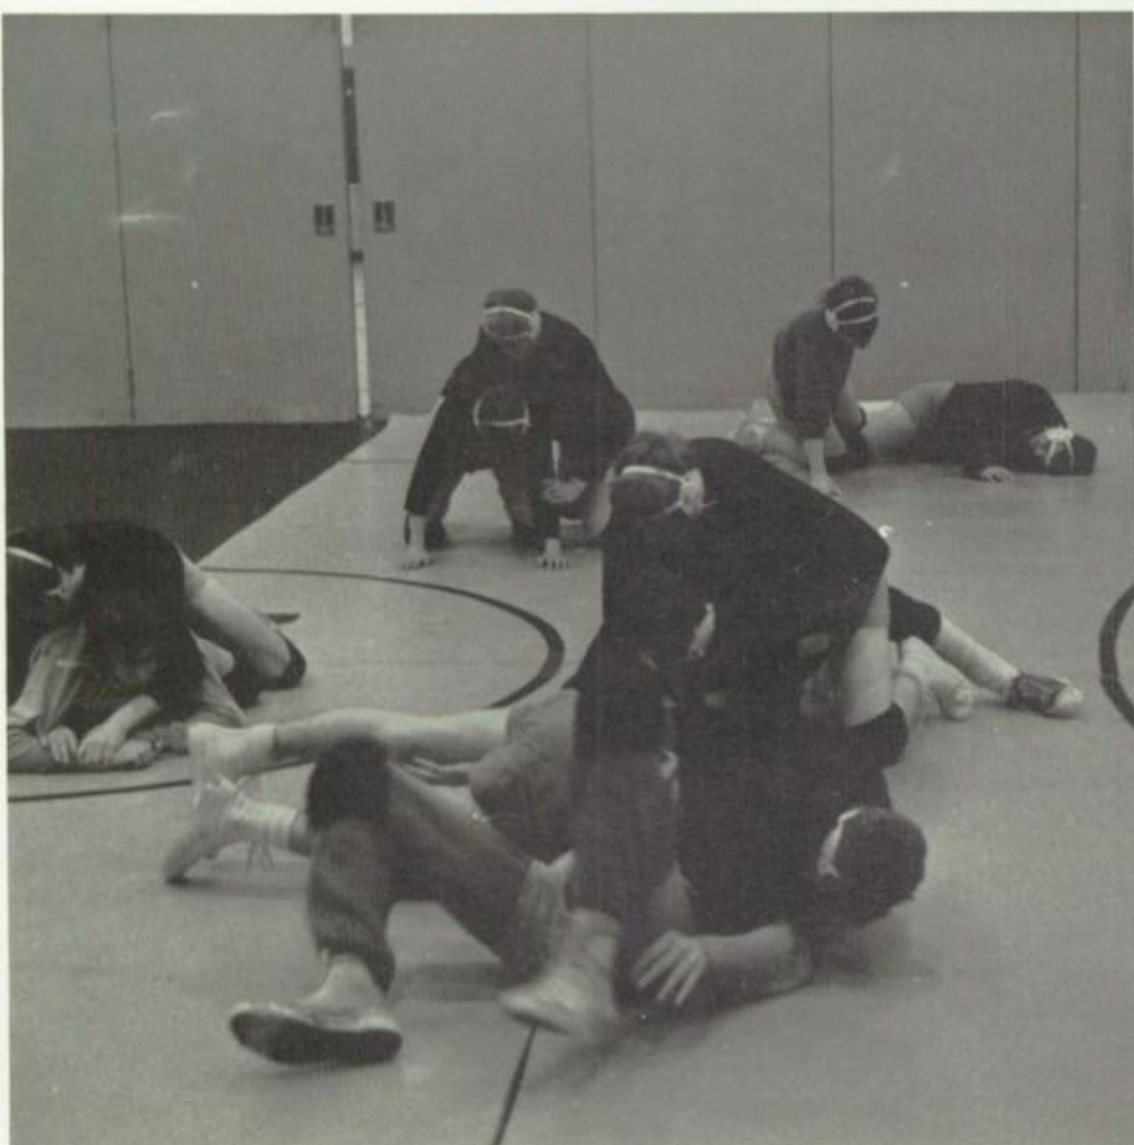

Team captain Dan Russell and most valuable wrestler John Lettman both placed third at the Sun Prairie Invitational and fourth at the Madison Invitational. Dan Russell finished second and John Lettman finished first in their respective weight classes in the conference.

The varsity squad was led by John Lettman, 19-6; Dan Russell, 15-9-1; Steve Littel, 13-6-1; Steve Larson, 12-8; Gary Minor 12-7-2; and Steve Springman, 10-3-2. With four returning varsity and a large junior varsity and sophomore squad, the wrestlers should have a successful season next year.

Front Row: Brian Mullens, Steve Little, Gary Ninedorf, John Lettman, Dan Schultz, Dan Russell, Eric Fredricksen. Row 2: Coach Kane, Steve Springman, Tom Kiesow, Gary Minor, John Czerepinski, Steve Larson, Dick Moen, John Karls, Coach Ackley. Row 3: Jeff Pero, Ken Konkel, Joel Herman, Bill Weber, Felipe Banuelos, Mike White, Dennis Ehle, Leo Warren, John David, Tom Karls. Row 4: Jeff Hamister, Noel Collver, Bill Johnson, Tom Albrdcht, Tom Johnson, Randy Fritter, Roger Christianson, Terry Fritter. Back Row: Herb Warren, Mike Patton, Mike Blocynski, Jim McCormick.

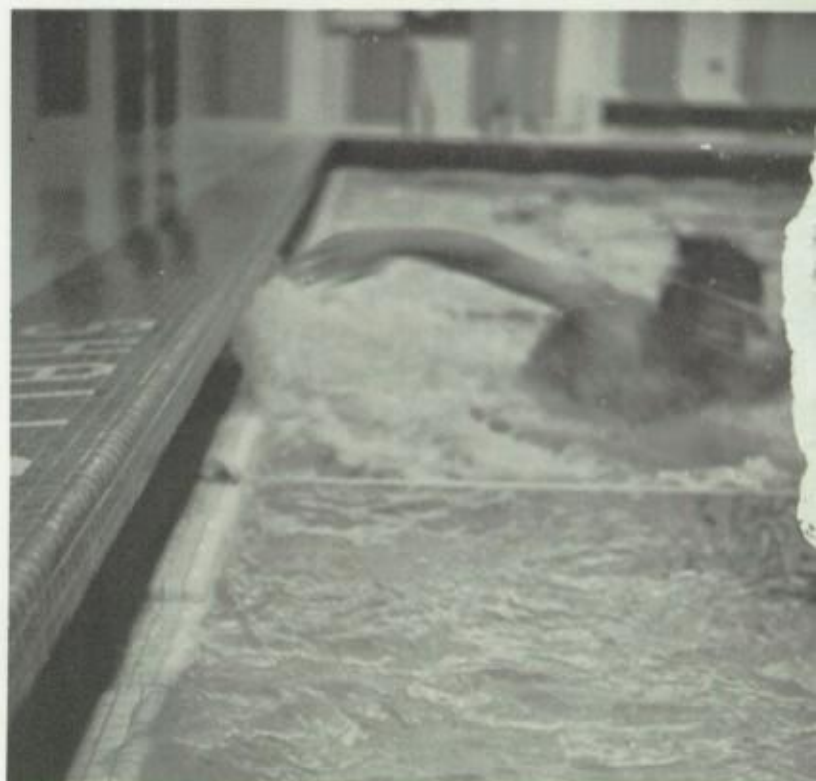

# Swimming

"Simply fantastic", were the words Coach Bob Moerke used to describe this year's swim team. Last year the team suffered from a mediocre season, but this year the case was different. The team raked in an excellent season — almost winning the city and Eau Claire meets, tying for first place with Memorial in the Janesville relays, and capping off the season with a sweeping victory in the Big Eight Conference Meet. The team finished with a total conference record of 5-1.

Credit for such a good season was given to the combination of an experienced group of seniors and three outstanding sophomores. With the leadership of seniors like Richard Varda and Dick Lampe and the talents of "super-sophomores" Jim Montgomery, Pete Debenham, and Mike Imhoff, along with an "encouraging, tremendous team spirit and group attitude" a top team performance was achieved.

Records were broken in freestyle and breaststroke, and high rankings in individual competitions gave East some top honors in the state. Coach Moerke summed it up when he said, "I didn't feel they would progress so far in so short a time. They were all hard working kids and had tremendous team spirit."

VARSITY: Front Row — Dan Tiedt, Mike Imhoff, Gary Lapotka, Dick Pierce, Bruce Nelson, Mick Kennedy. Back Row — Steve Hovde, Pete Woerpel, Jim Beale, Jim Montgomery, Richard Varda, Tim Thorson, Jim Wehrmann, Darryl Sullivan, Phil Froncek, Dick Lampe. Missing — Pete Debenham, Dan Ross.

**JUNIOR VARSITY:** Front Row — Dave Stich, Jon Starffer, Rick Burbank, Dennis Hunter, Doug Savonne. Back Row — Mike Kaltenburg, Henry Rinke, Steve Hameister, Jim Rutherford, Rick Kowing, Ken Starch, Ron Beard. Missing — Rock Scoville.

# G.A.A.

G. A. A., Girls' Athletic Association, was set up to provide girls with a chance to participate in a variety of sports, including tennis, track, basketball, volleyball, badminton, softball, and bowling. Any and every girl, regardless of skill or co-ordination, can join in the activities. By attending regularly, the girls not only learn skills and sportsmanship, but they can also earn a G. A. A. emblem, pin, or guard. G. A. A. is under the direction of Mrs. Betty Nicka. Judy Hermanson was president.

# Dance Club

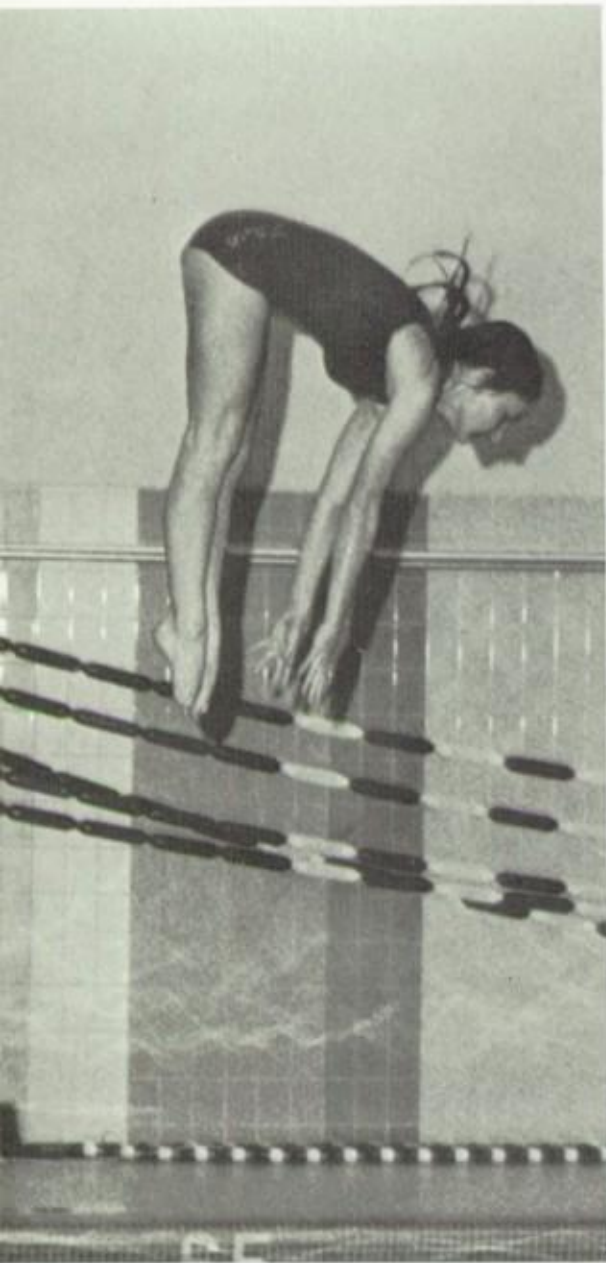

Front Row: Karen Cockings, Stephanie Forbes, Cheryl Oliver, Marcia Nelson (choreographer).  
Row 2: Carol Boe, Lori Taylor, Pam Pinigis. Back Row: Debbie Schweiger, Penny Phillips (president), Debbie Meland, Mrs. Nicka (advisor), Debra Wilcox, Jenny Soule.

Dance Club's purpose is to provide entertainment for the school and for outside groups. This year, their activities included performances at football games, basketball half-times, and the Talent Show. An added activity was a Christmas program, performed at Central Colony and the Oakwood Lutheran Home. The president of the group was Penny Phillips; the choreographer was Marcia Nelson. Dance Club is under the direction of Mrs. Betty Nicka.

# Girls' Swim Team

Front Row: Muffy Shumway, Jean Borman, Barb Kennedy, Arrie Walker, Julie Schrotz, Diane Bredeson, Denise Amacher, Sue Johnson, Marabeth DeCraene, Debbie Johnson, Debbie Dunn, Wendy Nordness, Linda Hageberg, Karen Prestegard. Back Row: Jane Bush, Carol Borman, Corinne Wilcox, Becky Harned, Patty Raine, Deb Gerry, Linda Stoffel, Barb Lang, Amy Johnson, Sharon Larson, Debbie Nelson, Pat Woicek.

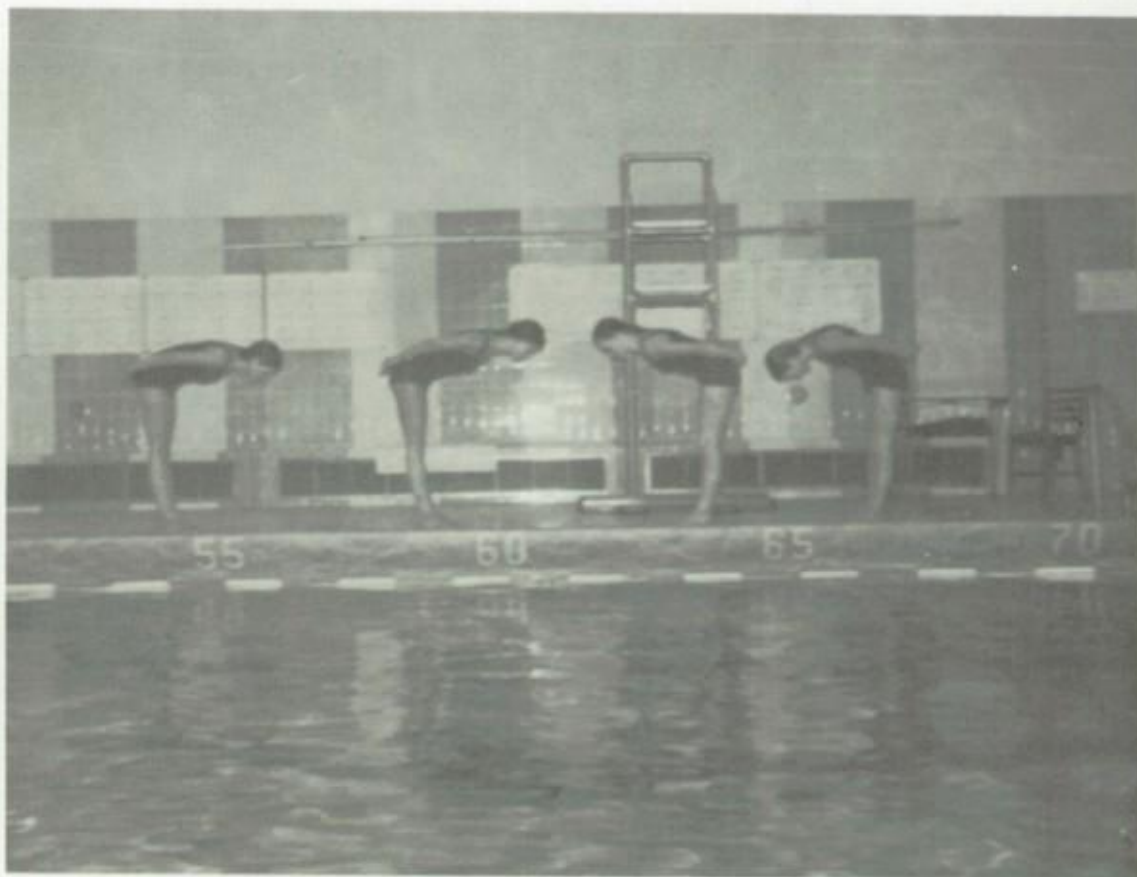

This season was very successful for the Girls' Swim Team. The season ended with the State Swim Meet held in Beloit. They placed fourth as a team because of the talent of five strong swimmers (see left): Arrie Walker, Jean Borman, Carol Borman, Muffy Shumway, and Jane Bush. Other fine members of the team included Diane Bredeson and divers Barb Lang and Corinne Wilcox. Under the direction of Miss Mary Richter, the team spent many Monday nights preparing for their season.

# Water Ballet

Synchronized swimming is a sport which requires much skill and grace. The Aqualinas, under the direction of Mrs. Mary Richter, have combined these traits with many hours of hard work to receive unparalleled success throughout the state. They have won the trophy in state competition every year that it has been held. This year's champions were: Debbie Wilkie, stunts and solo; Jane Bush and Barbara Faulkner, duet; and Kristin Johnson, Barbara Lange, Linda Stoffel, and Diane Bredeson, quartet. Besides competition, the rest of the members of the club worked hard on their numbers for the final show, "There's No Business Like Show Business", which was presented in April.

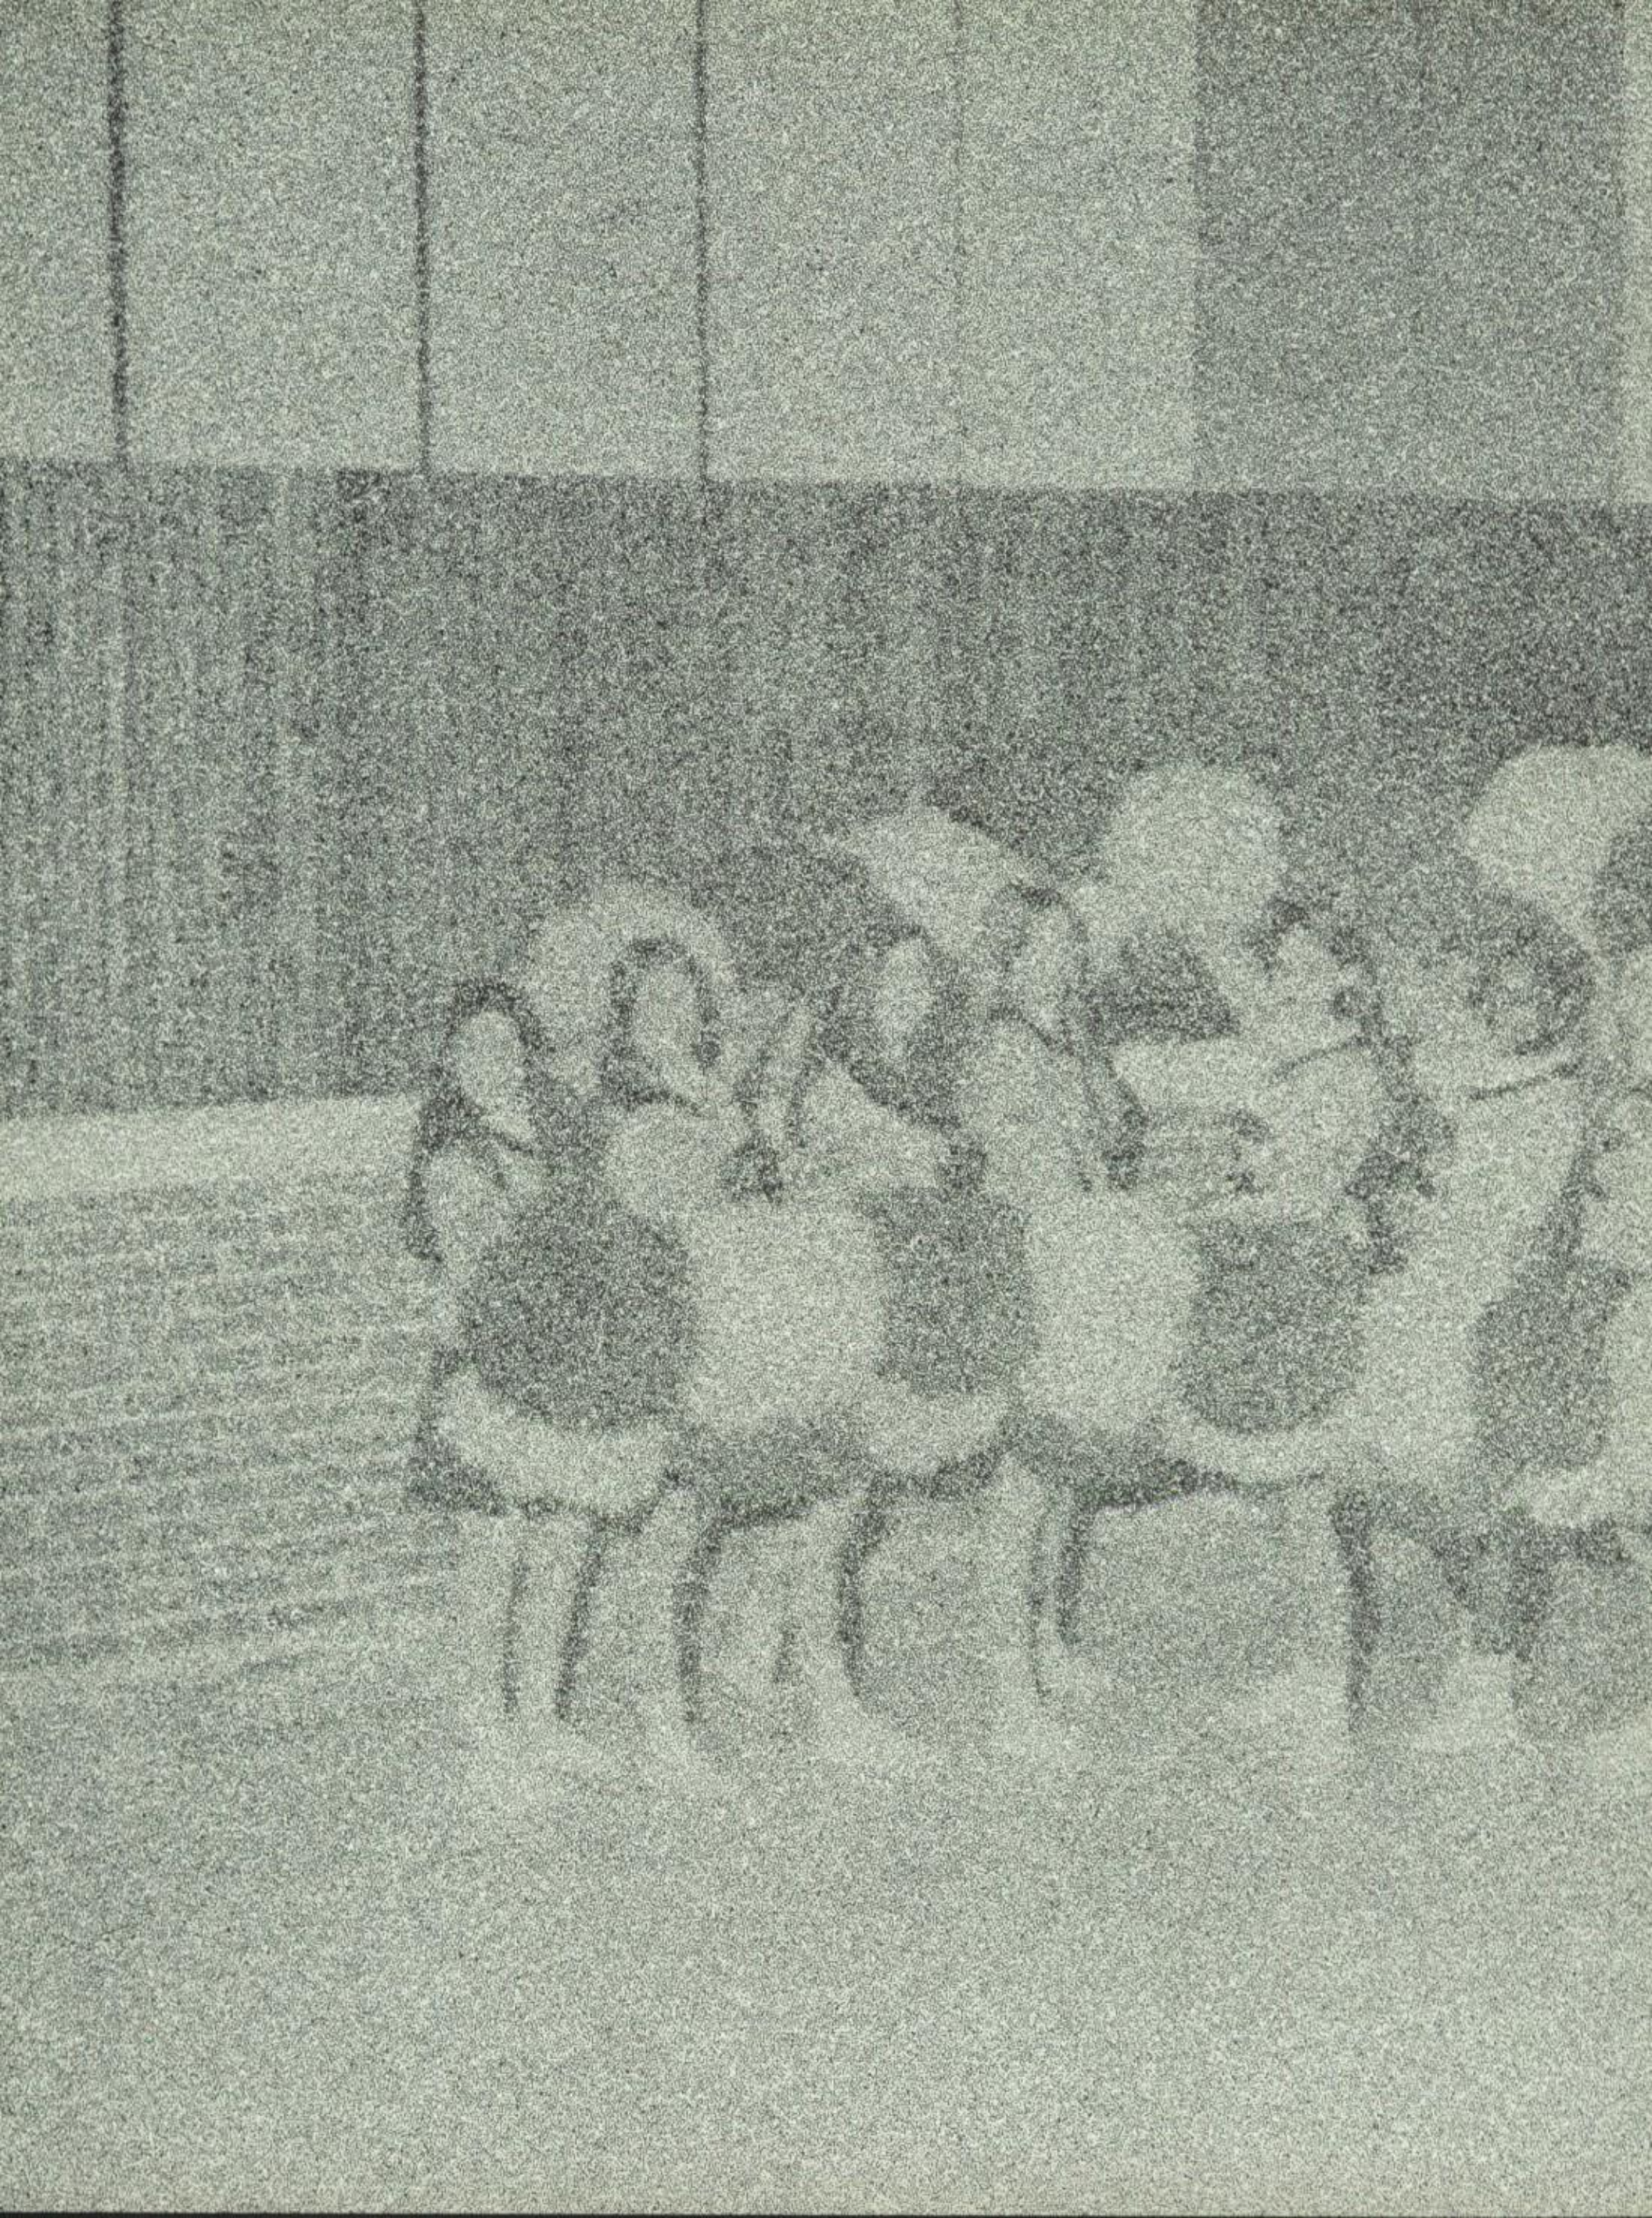

Front Row: Regina Slawek, Debbie Gerry, Patty Raine, Judy Pichette, Sue Wenger, Linda Stoffel, Barb Lang, Sue Anderson, Peggy Ingebrigston, Carrie Mulcahy. Row 2: Karen Prestegard, Gail Schmidt, Becky Harned, Pam Stoffel, Muffy Shumway, Arrie Walker, Mary Weston, Randi Blandino, Debbie Wilkie, Signe Ostby, Carol Borman, Sue Klein, Jane Bush, Vicki Hahn. Back Row: Polly Stewart, Barb Kennedy, Diane Bredeson, Sue Johnson, Jean Borman, Marabeth DeCraene, Denise Amacher, Jane Allen, Debbie Johnson, Corinne Wilcox, Pat Woicek, Ruth Reinke. Missing: Carolyn Schaeve, Barb Faulkner.

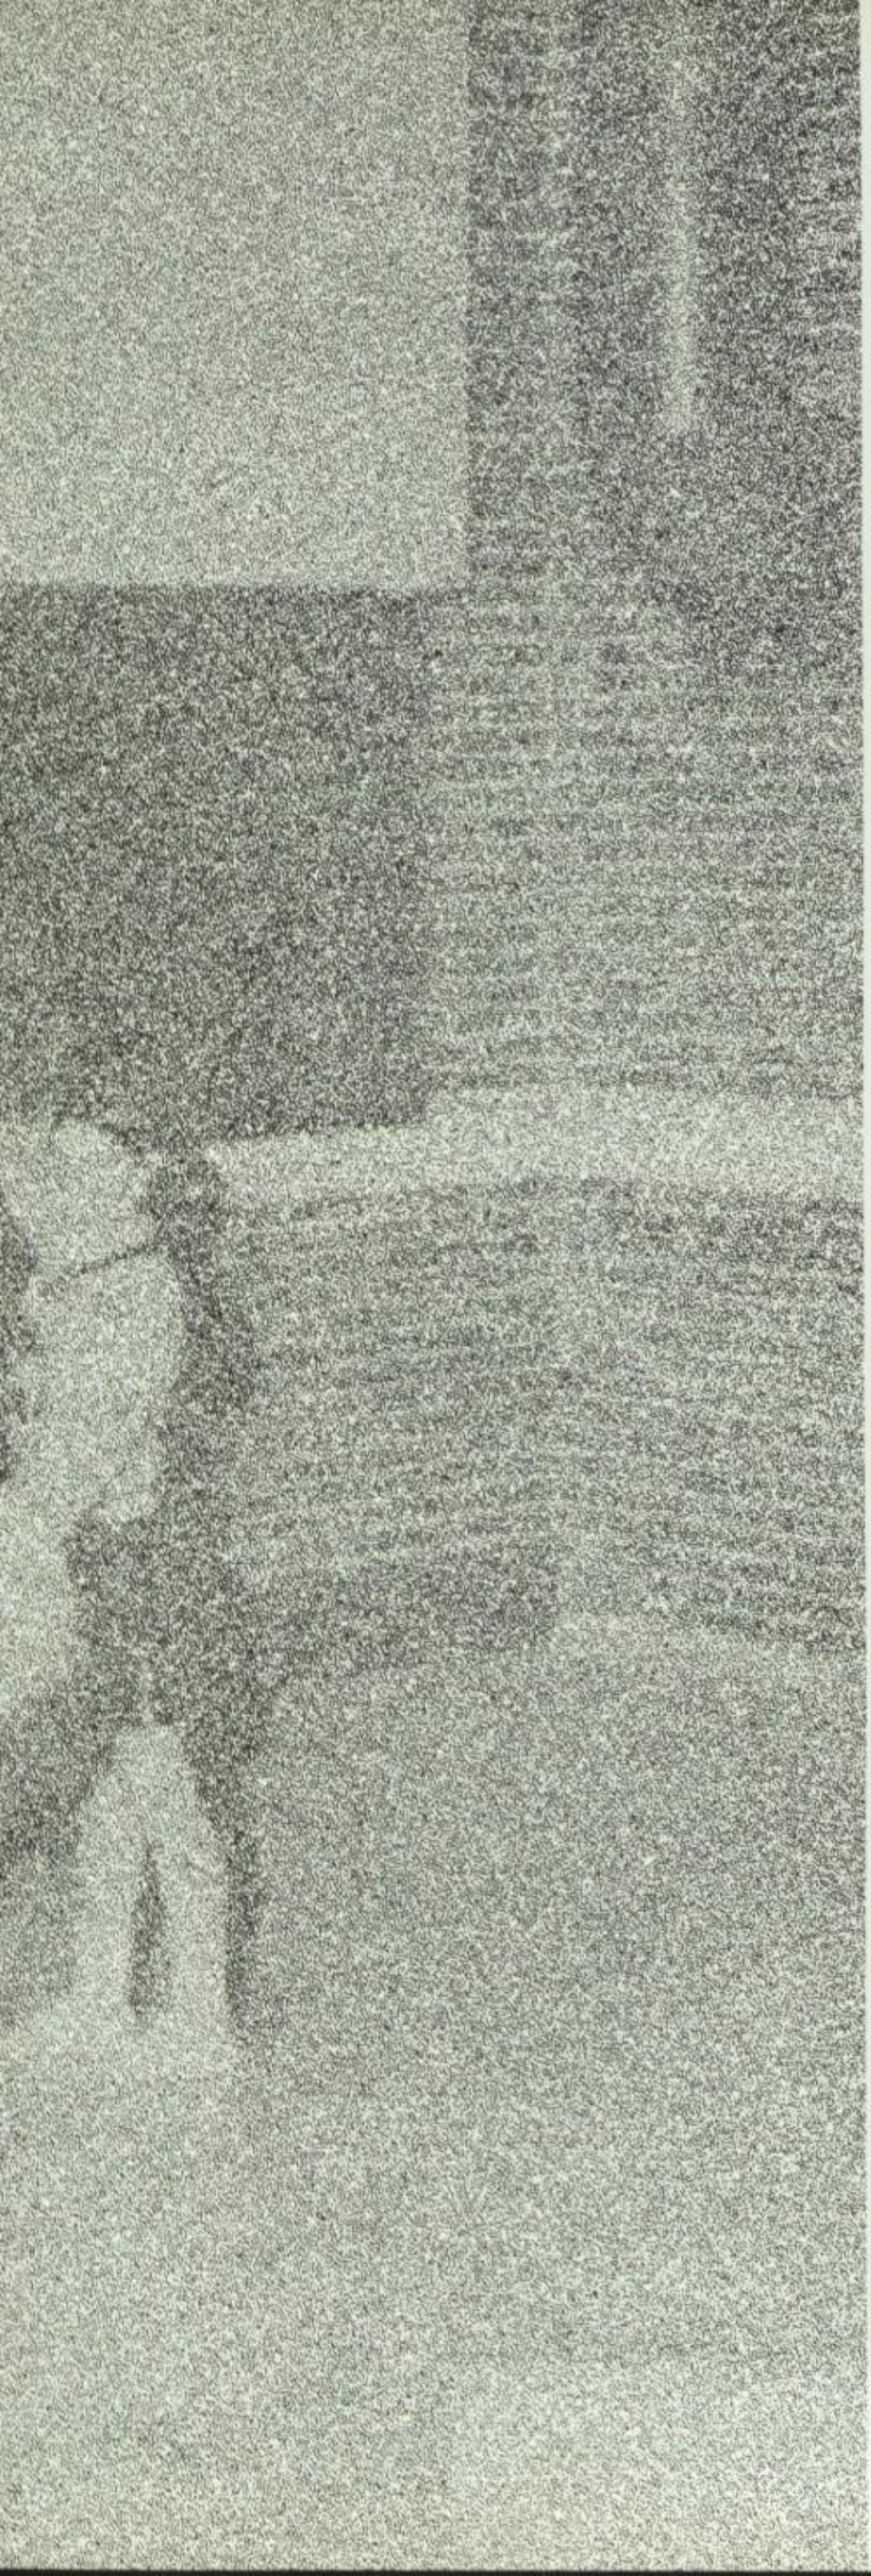

# ORGANIZATIONS

# Student Senate

Effective communications between the Student Senators and the electorate has been the goal of the 1971 Student Senate. This task was facilitated by the reinstallation of homerooms which allowed for a weekly discussion of Senate issues. Through this interchange of ideas at the homeroom level, the Senate was able to broaden its base for decision making.

With the leadership of Bill Michaels as president and with an elected senator from each homeroom, this past year's Student Senate has all the ingredients for a truly representative governing body. The wide range of opinions provided the Senate with ideas which were implemented into a variety of good programs.

Homecoming which has always been a prominent event in East High history was completely sponsored by the

Student Senate. In addition to the traditional festivities an Alumni Tea and Homecoming Parade were added to the calendar. The Student Senate also sponsored the Computer Dance and Mid-Winter Carnival. The Senate was also concerned with its relationship with the community. This was demonstrated by its interest in the Madison Youth Council. Other community-oriented activities included a food drive for needy families in Madison and a chain-link competition week; from which the proceeds went to the Wisconsin State Journal Empty Stocking Club.

Through effective communications and broad representation, the 1971 East High Student Senate was able to successfully meet the needs of a more informed student body.

## French Club

French Club's purpose of promoting the French culture and language at East was fulfilled this year with speakers, field trips, and holiday parties. At the Folk Fest, the club sponsored a "Cafe in Montmartre" with a crepe sale and a portrait artist, Phil Yonke. Also a group of singers gave a rendition of French folk songs.

For the first time French Club allowed first-year students to join, increasing membership and adding many new interests to the club. French food seemed to be the main attraction of the club. This was proved by the highly successful bake sales and French dinner.

Officers of the club were President Mary Jo Fenner; Vice-President Rick Kiley; and Secretary Sue Larson. Miss Berry advised.

# Spanish Club

Sparked by President Cathy Wills, the Spanish Club has sponsored a variety of activities. In September the club welcomed students back from vacation with a taco sale. The Drop-In Fiesta was the club's way of thanking East's students for the support they had given the club in its activities. Eight pinatas were broken and there was much dancing and eating. The New Year was greeted with an International Folkfest. Banuelos and orange crush were featured at the Madrid-like cafe. The fourth year Spanish students supported Carmen, a Foster-parent Plan child in Columbia.

# Latin Club

Mock Olympic games opened up Latin Club's school year. These are a series of contests held between several teams, each having the name of an ancient Greek city-state. The annual clothing drive was held again this year to help the needy in Appalachia and other places. A series of plays were presented at the club meetings by various Latin classes. To raise money, the club sold candy at the basketball games and pizza at the Folk Fest. Traditionally, the year ended with a picnic.

Der Deutsche Verein, better known as the East High German Club, had a very successful year because of its advisors, Frau Rusch and Frau Donner, its officers, Pam Pinigis, Marie Peterson, Bob Ziegler, and Eileen Timm, and its number of really loyal members. The year started off with a bit of culture in the Kaffeestunde (coffee hour) which took place at Drop-In in November 17. The coffee hour included German

baking, a raffle for a gingerbread house, and German music and entertainment. During December the club had the annual bake sale and the Christmas party. With January came the Folkfest and during February they made a production of Snow White and the Seven Giants, written, directed and presented by German Club members. As a climax came the spring picnic with brats and beer (kool-aid) for everyone.

# Tower Tales

A hard-working staff consisting of an Editor-in-chief, seven section editors, a helpful advisor, various photographers and a staff of varied talents has spent the 1970-1971 school year working to bring you this volume of the "mirror of East" — Tower Tales 1971.

By changes in content and coverage the staff has tried to present more of a What's Happening than a Who's Who picture, a more practical and effective approach for a

school the size of East. Of course along with the new innovations are the old traditionals — Seniors, Faculty, Sports and that all-time favorite School Life, now Student Life. Again this year color and photo techniques have been used.

The staff hopes that you will enjoy their work and that you will keep it in memory if not of the Number 1 East High — at least of them.

# Tower Times

Changes in the newspaper staff organization have aided the Tower Times newspaper in presenting issues and maintaining fairness. With modifications in the editorial board, the newspaper has also increased the scope of its editorial comment to include all issues facing the students of East. It has helped the paper speak FOR the students rather than TO them.

It has been indicated by professionals that the "Tower

Times" this year is ranked near the top in quality high school newspapers. It displays a polish and professionalism rarely achieved by high school staffs.

The staff of the paper began planning objectives before the school year began. This work and dedication has aided the Tower Times newspaper in fulfilling its changing role in the school and community.

Too often, students who work behind the lines to keep up school spirit and to organize activities go unnoticed by the student body. The finished posters or successful dance don't give any clue to the hard work done by students whose names few people know. The MERITS Committee was formed this year to seek out deserving people and to publicize their contributions to the school. At monthly meetings ideas were presented, discussed, and voted upon with the final decision printed in the Tower Times and the Announcements. Awards, bought by the club with money raised over the winter, were presented to these students at awards auds.

The committee was planned by senior Eileen Brunner with the support of Doctor Benson. In the future it will be continued.

## National Honor Society

Under the direction of President Bob Arnold, the National Honor Society became, in contrast to past years, a service club. The club, made up of twenty-three members, worked actively in re-evaluating the selection process into the society and in setting up an impressive induction ceremony. The National Honor Society also worked to organize and tally Service "E" points. In addition to Bob Arnold, officers of the National Honor Society were Vice-President — Ann Powers and Secretary-Treasurer — Debra Wilcox.

## Human Services

The commission was developed to handle the problem of relations between the different races at East High. It is geared to bring students of different social, ethnic and religious backgrounds together to solve the problems and misunderstandings that occur. In this way, the students become more aware of the different values of our society.

This year's Pep Club kept busy trying to boost the school's spirit. The large turnout at all sports events proved their success. The good turnout was largely due to much publicity — huge posters in the cafeteria and smaller ones throughout the halls. The club also sold "Peggy's Pep Club" buttons and planned the skits at the pep assemblies. Presiding over the meetings were Kathy Halvorsen and Marie Petersen with Gail Schmidt as vice-president and Karen Anderson as treasurer.

# E Club

Service to the school has been designated as E Club's purpose. Begun this year by the East coaches, the club performed such duties as helping officials on the sidelines, selling programs at athletic events, and meeting opposing teams and showing them to the locker rooms. Raising money for scholarships has become a part of the club's long range plans. Membership is limited since only lettermen can be a part.

Distributive Education Club of America, DECA, is a club where students from Distributive Education classes come together to organize activities which will make their class and their jobs more interesting. By entering a float in the Homecoming parade — not to compete but to show real Purgold-er spirit — DECA took a big step forward this year. Two sales were held by DECA — cookies in December and balloons at Homecoming. In an attempt to bridge the gap between the schools, the East High DECA hosted a Madison Metro Christmas party on December 12. January was DECA month, during which the club promoted the Distributive Education Program. DECA members attended a leadership conference in Madison in October for Distributive Education students. Another conference was attended at Green Lake in the spring.

# A.F.S. Club

Once again A.F.S. Club accepted the yearly challenge of raising nine hundred dollars to bring another foreign student to East in 1971-72. Bake sales, the traditional talent show, and a city-wide car rally — a first for the club — were held to achieve this goal. After last year's successful weekend for A.F.S. students in the Madison area, a second one was planned for this year.

During the eighteen years of A.F.S. at East we have been host to students from Africa, Europe, and South America as well as having sent representatives of America to several foreign countries. In its step toward world understanding and peace, A.F.S. was led by President JoAn Kuntz, Vice President Phil Froncek, Secretary Jean Ambrosavage, and the A.F.S. Board: Sue Larson, Debbie Wilcox, Suzi Bazan, Mike Stebbins, Jennie Soule, Shirley Evenson, Mary Jo Fenner, Cathi Boy, and Sven Haaverstad.

Library work has become a course this year, one which combines training and practical experience in library skills. Learning to give both library and audio-visual aid to teachers as well as students; helping with routines; doing bibliographic work and other similar tasks are all included in the course. At right are the technicians who concentrated their work on the audio-visual equipment. Above are the IMC helpers who concentrated more on the bookwork of the library.

East's two bands performed at the winter and spring concerts. Don Whittaker, professor of trumpet at the University of Wisconsin, soloed at one of these. In addition to performing at East, the bands played at various Madison junior highs. Both bands participated in the sale of Purgolder booster buttons in the fall. Profits from the sale were used to purchase equipment for the Color Guard. Volunteers from both the Concert and Symphonic Bands made up the Basketball Pep Band. Only members of the Symphonic Band marched at football games and in the Memorial Day Parade.

This was the Color Guard's second year at East. Like last year, the members designed and purchased their own uniforms. Members of the Color Guard performed with the marching band at all home football games and in the Memorial Day Parade.

In December, the Concert Orchestra held a special concert for East's entire music department. The Orchestra also performed at the February and Spring concerts.

Girl's Glee, Sophomore Choir, Mixed Chorus, and Concert Chorale represented the vocal music department of East this year.

Girl's Glee is a group of junior and senior girls. They sang at various activities throughout the year.

Sophomore Choir is the only one of its kind in Madison. Many of the members are planning to join Mixed Chorus or Concert Chorale next year.

The Mixed Chorus is comprised of juniors and seniors who are selected through individual tryouts.

The Concert Chorale is a select group of juniors and seniors. The size of the Chorale is limited for more personalized instruction.

Sophomore Choir, Mixed Chorus, and Concert Chorale together put on the "Messiah". They also participated in the Christmas Pageant in the Capitol.
